'HER EVIL SPELL IS OVER'

Widnes witch had 632 seized footballs in her garden shed

A NEIGHBOURHOOD 'witch' who terrorized children for three generations has finally been brought to justice.

For more than 40 years Wendy Mayhew, 76, has been making her neighbours' lives a misery thanks to her constant moaning.

Any time a ball was kicked onto her lawn it was confiscated, never to be seen again.

She was constantly calling council officials over the slightest noise and anyone parking in front of her house was screamed at.

On the estate in Widnes, Cheshire, the former shop worker was known as 'Witchy Wendy' and the sight of her sent shivers down neighbours' spines.

Frisbees

But she took her grouchiness too far when she threw a bucket of dirty dishwater over a six-year-old child who had tried to retrieve a ball from her front garden. Police were called and she was arrested.

When they searched her house they found a huge haul of confiscated kid's toys that she had taken from neighbours' children over the past four decades.

They included 632 footballs, 349 bouncy balls, 111 Frisbees, 12 scooters, 63 dolls, seven teddy bears, 456 Star Wars figures, 222 Action Man figures and four popped space hoppers.

Mayhew admitted assault and was given a police caution. They are now considering charges of theft over the toys.

A source said: "This is a tricky one. Many of the people who were her victims have long since left the area.

"It will be a very interesting case but the evidence speaks for itself."

One neighbour, who was too scared of Mayhew to be identified, said: "She has been a tyrant around here for years. I'm in my 20s and my mum was scared of her. Every generation called her Witchy Wendy. She was terrifying. You knew not to go anywhere near her house."

'CAM OFFERED BORIS SAM IN BREXIT VOTE'

FORMER Prime Minister David Cameron has promised Boris Johnson he could "have a go on his missus" if he toes the party line on Brexit, according to Conservative Party jokers.

Friends close to the foreign secretary say he turned down Cameron's offer and will "vote with his heart, not his cock".

It's not clear if the Prime Minister Theresa May knew about the offer to let notorious cocksmith Johnson have a go on sexy Sam Cameron but she is desperate to get her new Brexit customs policy past by her cabinet before she meets with German Chancellor Angela Merkel next week.

A Tory wag last night told *Sunday Sport*: "He has already sacrificed his career for his country, why not his wife?

"I know some people are saying this is a joke but that is not the kind of thing you say to Boris. He'd be up her quicker that a rat up a drainpipe."

THAT'S LOVELY, RITA!

Pop babe goes lesbian in her new pop video

By REX ROWLANDS
news@sundaysport.co.uk

HITMAKER Rita Ora puckers up with rapper Cardi B in one of her hottest ever music videos.

The blonde beauty, 27, is well known for her raunchy antics but her latest music video could be her raciest to date.

Rita is seen in the short clip locking lips in a lesbian snog with equally attractive pop star Cardi, 25.

Both beauties teamed up for their *Girls* video, which begins with Rita lounging on a couch, surrounded by women who all begin making out with each other.

Clearly inspired by the X-rated antics, she's seen getting to grips with Cardi.

The track also features Bebe Rexha, 28, and Charli XCX, 25, but they unfortunately don't snog.

Their song is about kissing other women and Rita recently opened up about her own sexuality.

In a statement, the stunna admitted to having had relationships with both men and women in the past.

MARGOT 'TOO FAT FOR ISLE'

STUNNING actress Margot Robbie reckons she's TOO FAT to go on ITV2 reality show *Love Island*.

The 28-year-old says that she and her pals were watching the popular when they decided they weren't fit enough to ever go on the series.

Margot, who looked fit enough in Wolf of Wall Street (*right*), said: "We'd just finished drinking beer and eating crisps and saying, 'We're so disgusting, we could never be on *Love Island*, we're such fatties, they would never let us on'."

MONDAY

WIMBLEDON gets under way with a controversy – as tennis legend Boris Becker is ticked off by presenter Sue Barker for saying "bastard" live on BBC1.

To be fair, we all let the odd bastard slip out every now and then.

Literally, in Boris's case. He still can't walk past a broom cupboard without breaking into a cold sweat.

TUESDAY

THE England football team breaks a 30-year-old curse by WINNING a World Cup penalty shoot-out.

Now all we need to do is break the curse that makes us shoot as straight as a fairground air rifle, and defend like the French infantry, and we'll win the thing.

Football's coming home? Yeah, that's what mum said about dad – and he's still not back after going out to buy 20 Lambert and Butler in 1982.

WEDNESDAY

ENGLAND defender Fabian Delph flies back to Russia – having missed the dramatic victory to watch his wife give birth to their third daughter.

It was probably quite a similar experience: two hours of pain then a load of people staring at a box, waiting for a miracle.

And I tell you what, Fabian. If you'd watched it in the same pub as me, you'd have seen a lot more than just one ruined c**t by the end of the night.

THURSDAY

STUMPY cheat Diego Maradona is told off by FIFA for claiming that England only beat Colombia because the referee was biased.

Hey, let's cut the little gimp some slack – we all get very passionate about football.

And while Diego might not be Colombian by birth, we know that so much of it runs through his veins. Usually via his nose.

FRIDAY

BACK to tennis – and there's more controversy at Wimbledon as the Canadian star Eugenie Bouchard teases a ball boy for having his flies undone throughout her match.

"I couldn't stop looking at it," she laughed.

Oh grow up, Eugenie. Haven't you ever seen a penis before? Surely you must have caught a glimpse of one…if only when you shared a dressing room with Venus Williams.

SATURDAY

AS the nation enjoys another sweltering weekend, one police force advises women to warn neighbours well in advance if they plan to sunbathe topless in the garden.

Too right, ladies. We need time to set up the telescope and lay out the snacks.

BONUS: Hedge fund boss Steve blew his cash… and a lot more

A FORMER *Love Island* contestant is working as a high-class hooker, charging a cool £2,000 for a night of "unrivalled pleasure" we can reveal.

The stunna – who *Sunday Sport* has chosen NOT to name – visits top-end London hotels where her clients include showbiz stars, tycoons, visiting foreign dignitaries and even top politicians.

The beauty, a contestant in an earlier series of the show, will be remembered by all *Love Island* fans.

But when work dried up, she decided to trade on her name and fame – to charge top dollar as a no-holes-barred call girl.

City trader Steve Jones – a massive *Love Island* fan – could not believe the former contestant was on the books of a super-discreet London madam when he decided to splash out on a classy hooker.

Shag

Steve, who manages a hedge fund, received a "substantial" year-end bonus by his City bosses, and with the money burning a hole in his pocket, he made a list of what he fancied.

He told us: "A new sports car. An extension on the house. An all-inclusive break at an exclusive Caribbean resort…

"But top of my list was a SHAG with a real-life celeb!"

And Steve, 29, knew just who to go to.

He said: "There's a woman – I suppose you'd call her a madam – who is very well known in the City and in the world of showbiz. She is like a 'sex agent' and only deals with real top-end clients.

"She doesn't advertise online, she doesn't need to. Her business is all word of mouth and her girls are all well-known. Catwalk models, the odd pop star, a few actresses.

"I gave her a call – I told her the name of my pal who recommended her – and she asked what I wanted. I said I'd like a fun girl, who was into anything and had big boobs.

"She gave a little laugh and mentioned a name. Just a first name. I said, 'Will I recognise her? And she said, 'Only if you watched *Love Island* in XXXX!'

"That's when the name made sense. I booked there and then and arranged to meet the girl at a hotel in central London.

"I was like a kid in the hours before my appointment. I was so excited.

"She arrived – bang on time – and I let her into the room and poured some champagne. Good stuff, not the cheap rubbish.

"I handed over the money and we made small talk for a while. She was not rushing me at all. We had all night, after all."

Steve said that the celeb soon had him hard with dirty talk and a sexy dance.

He said: "Obviously, those *Love Island* girls are not shy but this girl was something else. She kept pulling her panties down to give me a peep at her fanny. It was fully shaved. She was saying stuff like 'It's really smooth – do you like them shaved?'

"Then she put a finger inside herself and said, 'I'm so wet. You're cock is going to glide into my hot, wet c**t'.

"She looked over and saw the bulge in my pants. She said, 'We'd better do something about that' and fished my cock out. She flicked her tongue over the end of it and I couldn't take it any more.

"I gushed spunk all over her face. I was mortified but she just wiped up the spunk and said, 'We'll soon have you hard again'."

Steve said that after a breather, it was time for round two.

Lube

He said: "She got in the bed on all fours and held her c**t open. I put a condom on and climbed on. Then we changed positions and I was giving her one missionary style.

"That's when she whispered 'For another grand, you can f**k me up the arse.

"I agreed to the extra grand and she went to get some lube out of her bag. She smeared it all over my cock and then rubbed some in her arse – she put her fingers right in her arse! What a dirty girl!

"I nudged my cock into her arse. It was all nice and tight. I'd never done a bird up the arse before – it was amazing.

"She was going 'F**k my arse, f**k my arse…' It was like being in a porn movie."

After all the sex, the babe still had time to chat to knackered Steve.

He said: "She was really nice and chatty and told me some of the people who had booked her. I was amazed. She left at about 5am after giving a me a little kiss."

When we contacted the former Love Islander she told us: "I'd rather keep that part of my business discreet."

ACTOR Will Smith reckons he's had all the SEX he will ever need in his lifetime.

Talking on TIDAL's Rap Radar podcast, Will (*above*), 49, said: "I've been to the top of money, I've had all the sex that I've ever wanted, I've had all of the adoration.

"I've been to the top of all those material world mountains and nothing makes you happy other than being useful to others."

Despite a number of divorce rumours around Will and his wife Jada Pinkett Smith, 46, she recently insisted divorce would never be on the cards.

Jada said: "I'm just, like, keep [the divorce rumours] coming. That is never going down. It's just not. Ever. We are family."

Luxury hooker ring's exposed

A LUXURY prostitution sex ring that saw Europe's super-rich heading to the most upmarket areas of Paris for sex with high class hookers has been busted by cops.

The international operation specialised in so-called "sex tours" which saw millionaires flying in on private jets before being whisked to posh areas of the French capital to have sex with Eastern European women.

The pimps operating the ring owned a total of seven apartments where cops discovered 20,000 euros in cash and several luxury watches.

The five accused include a 30-year-old Egyptian, a 38-year-old Palestinian, and another three from Serbia, Cuba and the Philippines.

The ring assumed the cover of a medical tourism company to get away with its crime.

Swingfields 2018

Sunday Sport was the only newspaper that dared go!

IT'S the naughtiest of all the UK's summer festivals – and *Sunday Sport* went along for the ride!

Swingfields is an open-to-almost-all sex get-together where just about anything goes for adult-only punters.

This year it was held in a field near Malvern, Worcs, and attracted hundreds of randy revellers.

They included best pals Michaela and Sonia, both 37, who were visiting from Dewsbury along with their other halves.

Michaela, who works in a bakery, said: "I've had just the most brilliant time. Everyone is a consenting adult so there are no problems.

"I get a huge thrill watching my husband Phil shagging other ladies – if anything, it's almost hornier than actually having sex yourself.

"But that really gets me in the mood, so I usually find an accommodating man to suck off while everyone watches."

Hubby Phil, seen *(above)* with two horny festival-goers, smirked: "I've given several ladies the benefit of my proud girth while my beautiful wife watches on.

"Can't wait for next year!"

Love lips will save the day!

WE know how much the World Cup means to our football-mad nation – you only have to see the response to yesterday's quarter-final to see that.

But for some, it's more than just about football. It's about having a full set of Panini World Cup stickers in a completely filled-in glossy collector's book.

So imagine the 12 years of hurt poor Darren Fellowes has been forced to endure as his 2006 Panini album was missing just one sticker – that of French legend Zinedine Zidane.

It had gone missing at the start of that tournament in Germany, just after he started dating his girlfriend Zoe.

For years, he has been haunted by the fact that but for this one sticker his Panini album would be complete.

Imagine his surprise when he went down on his missus to celebrate England's dramatic penalty shoot-out win last week over Colombia and buried among the folds of loving flesh he finds his beloved missing Zidane sticker.

We can't think of anything more amazing than him finally solving a mystery that has dogged him for 12 years – and how romantic that the missing card should be found buried in the folds of his wife's nether regions all this time.

We share your joy, Darren...but we have one tip.

It might be worth another look to see what the hell else is hiding down there!

ISIS WANTED ME TO BE THE NEXT WHITE WIDOW

Gorgeous glamour model 'groomed' by terror nuts

BUSTED: Kimberley was nicked but set free when it was clear she had been duped

SCHEME: Evil Hussain, and Kimberley wearing burka in photo posted on her social media

WORLD PHOTO EXCLUSIVE
By BARNEY SAMUELS

THESE are boobs of the former glamour model who has revealed how evil Islamist nutjobs from terror group ISIS groomed her to become the next White Widow.

Kimberley Miners, 29, said that British born Islamic State militant Naweed Hussain contacted her on Facebook after she began sharing videos showing the plight of children affected by the Syrian war.

He contacted the former topless model every day and shared propaganda including dozens of images and videos and even a bomb making manual.

Trophy

Kimberley says she was being groomed to become "the next Sally Jones" – a notorious female ISIS recruit from Kent who moved to Syria with her son JoJo, became known as the White Widow and was killed in an airstrike in October last year.

Kimberley, who once was a rubbish collector, said: "I was totally taken in. I was groomed and I fell for it. I was a propaganda trophy to be won, the next Sally Jones.

"And they wanted me at all costs. I dread to think what would have happened."

Kimberley, who says she started using social media after suffering a miscarriage and splitting up with her fiancé, was arrested after anti-terror police intercepted messages from Hussain encouraging her to visit Syria.

Hussain convinced her to change her name to Aisha Lauren al-Britaniya and she struck up friendships with women already living in Syria.

Hussain had also been grooming a number of other British women including 18-year-old Safaa Boular, who last week became the youngest woman to be convicted of planning a terror attack in the UK as part of an all-female terror cell.

Kimberley was arrested in October 2016 after dropping out of a course aimed at stopping her online behaviour.

Despite facing 10 years in prison, she was released with no further action in March 2017 after 17 months on bail, North East Counter Terrorism Police confirmed.

Hussain was blown to kingdom come in a drone strike just weeks later.

Man misses trial for not being dressed

A COURT defendant missed his own trial after trying to turn up NAKED.

James Bridgewood had been due before magistrates after being charged with assaulting a police officer.

But he refused to get dressed when it was time to transfer him from his cell in a police station to the court for his hearing.

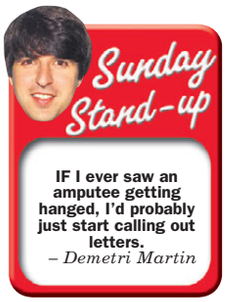
The alleged offence happened on Tuesday and Bridgewood, 34, was further accused of resisting a PC in the execution of his duty and possession of a bladed article, a lock knife, in public.

The Dewsbury, West Yorks, man's solicitor told Kirklees JPs: "He's refused to come to court and is refusing to put clothes on.

"I see little point in putting staff at risk when he will refuse to come up to court."

The former Yorkshire Regiment squaddie has suffered from mental health difficulties after serving in Iraq and Afghanistan.

Case was adjourned.



Pervert caught by Haribo pack

A NAKED runner who startled female joggers by showing his floppy cock was caught after cops found a till receipt and an empty packet of Haribo sweets.

Since April, a dozen women aged between their late teens and their 40s reported they had seen the pervert, who dressed only in running shoes, by the River Wear near Durham city.

The sweet packet and shop receipt found nearby allowed officers to pinpoint the moment that the sweets were bought and scour CCTV for an image of the suspect.

Women confirmed the man on the shop's CCTV was the naked runner and officers were then able to trace the 18-year-old man and arrest him.

He admitted several offences and put on a course programme to deal with his behaviour.

CRAZED CORBYN LOOKALIKE CHOPS OFF HIS OWN COCK!

IDOL: Bob and Jezza

A JEREMY Corbyn lookalike was so upset about the never-ending transgender debate that he hacked off his own WILLY.

Far left Labour fanatic Bob Peterson, 69, said the "split second" self-mutilating act was born out of frustration with the increasingly loud arguments against trans rights.

Agony

The retired welder, from Lincoln, used one of his wife's kitchen knives to sever his cock – leaving him in agony and soaked in blood.

Worse, the grandad instantly REGRETTED his symbolic gesture.

He said: "This whole trans thing was getting to me. If a fella wants to call himself a lass and get his cock out in the ladies' loos, what's what wrong with that?

"It's 2018, for Christ's sake. There's no harm in having a penis, even in the ladies. You'd think they'd be far too busy talking about boys and make-up to worry about the odd hairy chubb.

"I was so angry at some people's closed minds that I needed to let my frustration out, and in a moment of madness, I chopped my dick off.

"I'm forever being told I look a lot like Jeremy Corbyn, which is a massive compliment as he is my political hero.

"I'd hoped my likeness to him would propel my story into the headlines and lead to lasting change – for the many, not the few.

"First I took a pic of myself with the knife in my mouth and posted it on Twitter and a transgender forum, to raise awareness.

"Then I went to the shed, dropped my pants, grabbed my knob and cut through it with the knife.

"It was surprisingly easy. It turns out that penis flesh is very soft.

"But seconds later the blood – and the screaming agony – began. The sight of the wound spurting was too much to take in and I dropped my cock on the floor.

"It was then I knew I'd made a mistake, and called an ambulance. Then I passed out.

"Instead of making a massive political point, it led to paramedics squashing my member into a box of Mr Freeze lollies from my freezer.

"They've reattached it but it'll be months before I know if my todger will be able to do the business again."

He added: "This is what happens when you drink cider in the sun. They should ban it."

UN-NESS-ESSARY SPENDING!

A SCOTTISH government funded body has spent tax-payers' money putting a plan in place for if the Loch Ness Monster is ever found.

Scottish Natural Heritage (SNH) prepared the code of practice in 2001 amid a period of intense interest in the fabled beast.

This year's interest has been piqued by scientists gathering DNA from the loch, and Scotland's first minister saying that she believes there is a monster lurking in the deep.

SNH said it would "dust off" the plan if Nessie was discovered.

Tax cash used preparing for monster find

The code of practice was drawn up to offer protection to new species found in the loch, including Nessie.

It stipulates that a DNA sample should be taken from any new creature, and then it should be released back into the loch.

The story of the monster can be traced back 1,500 years when Irish missionary St Columba is said to have encountered a beast in the River Ness in 565AD.

Later, in the 1930s, The Inverness Courier reported the first modern sighting of Nessie.

The mythical creature's appearance has been described as resembling a plesiosaur, a marine creature that died out with the dinosaurs.

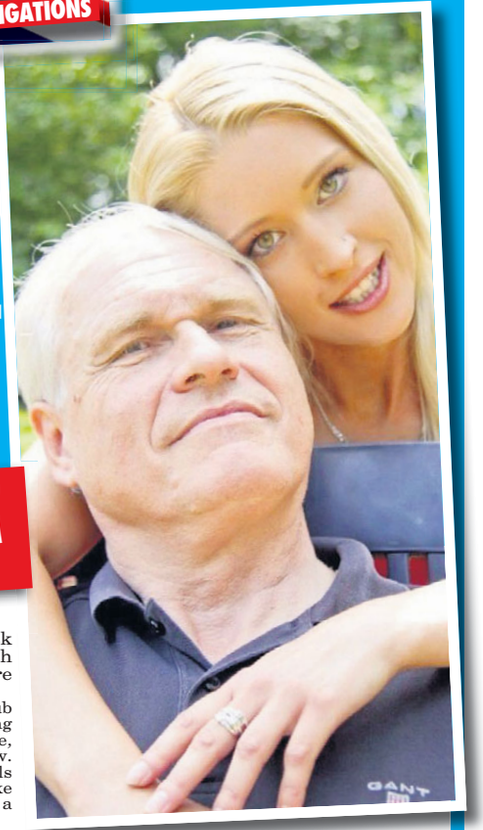
SEX IN BRITAIN UNCOVERED & UNCENSORED!

AN EXCLUSIVE SERIES OF SPECIAL INVESTIGATIONS

AGE-

'After my fifth orgasm I was almost spent...'

ERIC MULDOON, 66, AND KATIE HAMER, 27, FROM AYR, SCOTLAND



PENSIONER Eric couldn't believe his luck when stunna Katie started flirting with him – and he's pinching himself even more now she bounces on his cock.

The couple met at their local social club around four months ago, and despite having shagged plenty of younger studs in her life, Katie couldn't be happier with her sex life now.

She said: "I went on a night out with the girls in April with every intention of pulling a bloke that night – I just didn't expect it to be a pensioner!

Hammered

"We went to the social club near my house because it's a great place to load up on cheap booze before heading into town, and once we'd paid our 20p entry we got hammered on vodka and Cokes.

"I noticed a group of men in the corner and decided to go over and flirt with them a bit, hoping I'd get a couple of drinks out of them.

"Then I clapped eyes on Eric and whether it was the beer or not, he looked fit. The silver fox look was really doing it for me and I felt fanny flutters.

"He did buy me a drink but before I finished it I'd snogged him and given him my number. I didn't care how old he was I just knew he was attractive."

After a boozy night on the lash, Katie woke up the next morning with a foggy head but still remembered the silver-haired bloke from the night before.

She said: "The next day, I felt a bit hungover and woke up to a message from Eric asking me to go round to his that night.

"I had nothing else better to do so I did and, well I've never left really. We obviously shagged that night and his experience in the sack really shone through.

Hard

"Instead of the lads I'd been with in the past where they take 10 seconds to fiddle with your fanny, Eric spent ages down there.

"He laid me down and lapped at my pussy like there was no tomorrow. He was loving it as much as me and after my fifth orgasm I was almost spent.

"But Eric definitely wasn't, his cock was as hard as a rock. And I happily returned the favour before bouncing up and down on his stiff member until I felt his warm spunk shoot up my chuff.

"Since then, I've revitalised him. He rarely needs to take the blue pills but when he does we're at it for hours – I get tired before him, sometimes!

"And the foreplay really is something else. He loves licking me and putting his fingers in any hole he can fit them into, it's mind-blowing what this man can do down there."

While Katie is enjoying every second of Eric's tender loving, he's just as happy with his young arm candy and says he can't believe his luck.

Eric said: "It's unbelievable that I've pulled this woman. She's 39 years younger than me, for f**k's sake – all my Christmases have come at once.

Pussy

"She's got the sweetest pussy I've ever seen and it tastes even better – I could spend the rest of my days pleasuring her and I'd love every second of it.

"As for me, well I'm a new man. I'd been single for a few years and was a bit miserable to be honest, but since Katie's come into my life I feel born again.

"I thought I'd have to pop all the blue pills I could get my hands on to keep up with her but one look at her pert pair of tits and perfect pussy and my cock's stiff as a board.

"The way she shags me is sensational, I've honestly never had better. All my mates at the social club ask me about our sex life and Katie is happy for me to tell them every detail.

"They can't believe some of the stuff she lets me do to her – especially when I told them about my 66th birthday when she let me take her up the shitter."

Katie said she doesn't care what folk think of their age-gap romance and said: "People do give us dirty looks and some people ask if he's my grandad.

"I couldn't give a shit – he can't get enough of me, he takes me in every hole and gives me orgasm after orgasm, so long may it continue."

-GAP LOVERS

OLDER is definitely bolder when it comes to getting what you want in the sack!

According to a new study big age gaps between lovers has become more common, with one in 10 relationships seeing a difference of at least 10 years between partners.

And it's not just older men seducing fit young girls – increasingly older ladies are getting their fill of hot young cock. Divorced women in particular are likely to hook up with a younger fella – 32 per cent of women over 50 who have split up have had sex with a man under 35.

All of which means millennials are managing to get their fill of older lovers, with 12 per cent of under 35s admitting they have banged a partner over 50.

And while it used to be taboo for an older man or woman to hook up with a young lover it's now perfectly acceptable.

But what's it really likely to have a partner more than 40 years younger than you and, more importantly, what's the sex like for them?

'He's just so eager to get his dick wet, but I can teach him'

FIONA McNEILL, 57, AND WILL CHAMBERS, 22, FROM SKEGNESS

MILF Fiona split from her husband Dennis, 61, two years ago but instead of sitting at home knitting and watching soaps, she decided to get straight back in the saddle.

The hot, horny singleton made friends with her next door neighbours and was invited round to their house for their son's 21st birthday party where she hit it off with young stud Will.

Fiona said: "I was gutted when Dennis left me but to be honest our sex life was as dry as a nun's gusset and I didn't find his beer belly and balding head attractive anymore.

"After a few weeks, I realised it was a good thing I was single again. I began to feel more like the old me – full of life, full of energy and in need of a good shag.

"I bought a new place in Skegness. A few days later, I eyed the neighbour and he was a real hottie!

"I decided to go round and introduce myself and ended up chatting to them for hours. His wife was lovely too so I decided I wouldn't make any moves on the poor fella.

"And it worked out in my favour because they invited me to their son Jacob's 21st party that weekend and that's when my life really took a turn!"

Brazen brunette Fiona headed to her neighbour's birthday bash where she met Jacob's best friend, Will.

Plunged

She said: "Will was standing there looking fit and I knew I needed his young cock inside me. To be honest, I didn't think he'd want to shag a 57-year-old woman but I was wrong.

"As I went past him to the bathroom, he winked at me and I turned around to catch him following me.

"'You've been eyeing me up all night, let's fk', he whispered as he pushed me into the bathroom and hiked up my dress.**

"Before I knew it his fingers were plunged deep into my fanny – a hole that hadn't seen anything but silicone toys for the past year.

"I was sopping wet and was soon begging him to bend me over and shag me. When he did, I came three times and he took 20 minutes to spurt his spunk. I'd never gone so long with my Dennis!"

Since that night, Fiona and Will have got even closer and the pair are now dating, with Fiona crediting Will with her new vitality.

She added: "Will has really reinvigorated me. Before, I was looking after an ageing old bloke who was fat, retired and ready to collect his pension.

"Now, I've got my own life back and Will doesn't need any looking after, he's a real man – and a fit one at that.

"It obviously helps that he's 35 years younger than me but do age-gaps really bother people anymore?

"I'll tell you now, if every woman over 50 could spend one night with a toyboy, they'd never go back to their husbands!

"After a whole year of having no sex, I've not had a day without for the last five months. Will can just go and go.

"He's a bit lacklustre when it comes to foreplay as he's so eager to just get his cock wet, but I can teach him!"

As for Will, he loves shagging a MILF and says having an older woman in his bed is fulfilling every fantasy he's ever had.

Porn

He said: "From the minute Fiona started ogling me at Jacob's party, I knew I'd fk her. I've always had a thing for cougars and fit MILFs – girls my age just get too clingy and too attached and they've no idea how to handle my member.**

"Fiona knows exactly what to do and she's taught me things I'd never even seen in porn, never mind tried out.

"I was just going to shag her and ditch her but after that first romp I've been addicted to her older pussy.

"She moans like no other girl I've been with and she'd absolutely filthy in the bedroom, she'll let me put in her arse and everything.

"My mates reckon it's proper cool I'm banging a MILF and they're proper jealous.

"Older women are miles better than younger ones. I've met my match in her."

ANGRY: Meghan hit girl over BJ

JEALOUS MEGHAN BEAT UP LOVE RIVAL WHO SUCKED OFF BOYFRIEND BEHIND CLUB

ANGRY Meghan Williams launched a vicious attack on a love rival she caught giving her cheating boyfriend a blowjob by the bins behind a nightclub.

The careworker, 36, was furious to find her fella James Pilkington down an alleyway with 26-year-old Kelly Martin, who had his trousers round his ankles and his Johnson in her mouth.

By BARNEY SAMUELS
news@sundaysport.co.uk

Magistrates heard how Williams pulled the girl off her man and started slapping her.

When Kelly, who told cops she'd no idea the man was in a relationship, tried to run away Meghan tackled her to the ground and punched her.

As she hit her younger rival she yelled: "No-one touches my man's cock but me."

Kelly's screams brought a crowd of onlookers and eventually police were called to the scene and broke up the fight.

The victim was left with superficial injuries but no lasting damage.

In the Birmingham court Meghan admitted common assault and was sentenced to four months' jail suspended two years.

Her lawyer Julian Hargreaves said: "My client is unused to drink and had consumed seven vodkas and two pints of strong lager that night.

"This is not her normal behaviour and she is deeply ashamed."

It is not known if she is still with Pilkington.

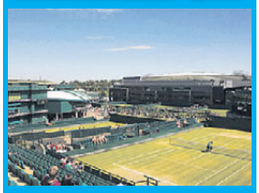
10 things you might not know about WIMBLEDON



WIMBELDON is halfway through its 132nd tournament.

Every year, London's SW19 attracts half a million visitors from across the globe and it's become a staple of British culture.

Anyway, here are 10 things you might not have known about the world's oldest tennis championship...

1 **THE courts are tended all year round and each blade of grass on every court is cut to a height of 8mm.**

2 DURING Wimbo fortnight, 54,250 tennis balls are used. Before use they're kept in a fridge to keep them in tip-top condition.

3 **WIMBLEDON used to use white tennis balls but in 1986 the iconic yellow ones were introduced to make them more visible to the TV cameras.**

4 THE longest ever match played at the tournament was in 2010 when American John Isner and French player Nicolas Mahut match lasted a whopping 11 hours five minutes and was played over three days. Isner won.

5 **DURING the fortnight that Wimbledon runs, approximately 112,000 punnets of strawberries will be consumed along with 7,000 litres of cream.**

6 AS for the alcohol, 25,000 bottles of bubbly, 100,000 pints of beer and 200,000 glasses of Pimms are sold over the course of Wimbledon.

7 **WIMBLEDON has its own hawk called Rufus who circles the skies every morning during the tournament in an attempt to ward off pigeons flying over the All England Club.**

8 DURING the event, the repairs team string about 2,000 rackets and use more than 40 miles of gut.

9 **SERIAL streaker Mark Roberts has run on court naked twice – in 2000 and 2002. And stark naked student Melissa Johnson was blamed by player MaliVai Washington for his loss after he claimed to be "distracted" by her nuddy stunt in 1996.**

10 DURING World War II, five bombs hit Centre Court. The bombs destroyed 1,200 seats and it took nine years for the court to be fully restored.

LOVE ISLAND LAURA'S SEX SHOCKER!

GORGEOUS: Laura poses topless for top glamour shoot

By BECCA STUBBS
news@sundaysport.co.uk

LOVE Island stunna Laura Anderson has already got JIGGY on the ITV2 show and has previously enjoyed a QUICKIE in a changing room.

Laura, 29, entered the luxury villa at the start of June but will be better known to *Sunday Sport* readers as glamour girl Missy Love.

Scottish sexpot Laura once got down and dirty in a shop changing room with her ex-boyfriend and the couple were caught by one of the staff.

Blonde bombshell Laura told *Sunday Sport* all about her rampant romp in the store.

She said: "My boyfriend was trying on jeans, and I went in to see what they looked like.

"It was the men's section as well, but I didn't care.

"I went in to see them, and my fella pulled me toward him, lifted up my skirt, and we had a quickie.

"It was just SO horny!

ISLANDER: Laura on show

"Then after we both came we heard a noise from a girl who worked there and I ran out.

"She knew what we were doing!"

Viewers of the ITV2 reality show have seen Laura flaunting her 32E norks in a whole host of skimpy swimwear.

And they've also seen her shagging on screen after enjoying a romance with fellow islander Wes Nelson, 20.

But soon after their bedroom bonk Wes ditched Laura for fellow stunna Megan Barton-Hanson, 24, and Laura has been getting to know newcomer Jack Fowler, 22.

Love Island continues tonight at 9pm.

Black pudding eating comp ends in BLOODBATH!

A TRADITIONAL black pudding eating contest descended into CHAOS when a five-times champ attacked the "young pretender" trying to take his crown.

Harvey McGowan, 65, took a swipe at younger rival Bert Barber, 63, as the pair battled it out for the annual Barnsley Pud King title.

Ex-trucker McGowan was livid when he realised Barber had devoured three and a half pounds of the tasty pigs' blood-based breakfast fodder.

Lumps

But instead of trying to eat more himself, he flew into a rage and punched Barber, sending tables – and the black pudding – flying.

One eye-witness said: "It was horrifying. They were knocking lumps out of each other, with their fists and with pieces of pudding.

"There was blood, snot and tears.

ARCH RIVALS: McGowan (*left*) and Barber

By BARNEY SAMUELS
news@sundaysport.co.uk

"But neither man would stop and it was so fierce no-one wanted to go anywhere near them.

"It's an emotional contest but I've never seen anything like this.

"I dread to think what would have happened if it was not for Harvey's 'little accident'."

New champion Barber, from Sheffield, told *Sunday Sport*: "He didn't have a 'little accident'. That fat twat SHAT himself."

Ex-champ McGowan, from Gateshead, has refused to comment.

Drunk driver blames dog!

DRUNK driver Scott Garrett gave police a laugh – by claiming his DOG had been at the wheel of his car.

Police saw the boozy motorist swerve all over the road in Port Lucie, Florida, and decided to stop him.

When officers detected the smell of alcohol, Garrett (*above*) claimed he wasn't driving, but that his mutt was.

But the excuse didn't fool anyone as his "red, very glassy, and blood shot eyes" and the bottle of booze on the passenger's seat gave him away.

Also there was no dog in the vehicle.

Garrett was arrested and later charged with drunk driving.

A source said: "The other thing is that letting a dog drive a car is also illegal. God knows how he expected to get out of it."

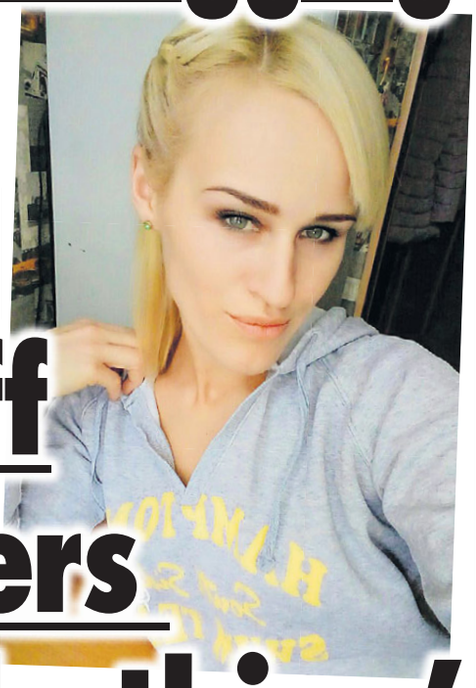
CONFESSIONS OF A CRUISE SHIP GIRL

'Everyone was shagging each other... group sex between staff and passengers was a nightly thing'



CASHING IN ON COCK: Grace made easy money 'servicing' up to three guests a day

SUNDAY SPORT EXCLUSIVE

By PENNY MARSHALL
news@sundaysport.co.uk

A NEW C4 show nicknamed 'Coach Trip at Sea' has shone a light onto the glam world of cruises.

And if you thought a swanky sea voyage was all old ladies and norovirus, *Shipmates* will make you think again.

Shipmates will see glam hopefuls perform a variety of challenges and, at the end of their adventure, fellow passengers will vote for the winning team.

A TV insider said: "*Coach Trip* has proved to be one of Channel 4's most enduring shows.

"It makes sense to take that tried-and-tested formula into a different environment.

"In this case, it will be one that's even more fun and unpredictable."

It emerged that during filming, the cruise aboard Vision of the Seas turned into a "drug-fuelled orgy" with cocaine "easier to buy than booze", passengers claimed.

Vomited

Passenger Alicia Morris, 37, said: "It was like a floating episode of *Geordie Shore*, with drugs and escorts and a police raid or two.

"The show was being filmed all the time on the boat, with cameras everywhere."

Ten twenty-something reality TV stars were filmed battling against each other in a series of tasks, joined by 1,500 passengers keen to enjoy the tour from Barcelona through Cannes, Ibiza and Palma.

But as the ship arrived in Cannes, one Briton was arrested, another passenger had vomited into the swimming pool and others had to be pushed around the decks in wheelchairs.

The show is certain to shock anyone who imagined a cruise was a sedate way of seeing the world.

SEAS OF LOVE: X-rated action was life on ocean wave (people in pic are NOT involved in Grace's story

But it's no shock to pretty Grace Pemberton, who spent a summer three years ago working as a cleaner on a Mediterranean cruise ship.

The stunning blonde, now 25, from Cirencester, Glos, said the work was hard – but the partying was harder.

For legal reasons, we're unable to name the ship she worked on. But it's still afloat, plying the waters of the Med each summer and the Caribbean in the winter.

And Grace says there's no reason to believe the same antics are not still going on aboard the huge floating hotel.

She said: "When you have thousands of people crammed aboard, with a huge choice of bars, what do you think happens?

"Sex, sex and even more sex. Everyone was shagging each other…group sex between staff and passengers was pretty much a nightly thing."

Grace revealed she was propositioned for sex by wealthy men "on a daily basis".

She resisted – for a while.

She said: "The pay on board for a cleaner like me was not great. I'd only really taken the job as a way of getting to see the Med.

"But the other girls kept asking me if I'd done 'extras' for any of the passengers.

"I didn't know what they meant at first, so they explained to me.

"I said 'Euuugh – no way!' and they all laughed.

"A week later, I was on my knees, sucking off an American businessman – who was quite good-looking for his age.

"He gave me $300… for a blowjob! I thought 'This is easy money'."

Within a matter of days, wised-up Grace was "servicing" up to three guests a day and worried that she may get behind with her work.

She said: "Obviously, with two or three sex stops on my rounds, it took a bit longer to do all my allocated cabins.

"But the supervisor didn't mention it. She told me later that she knew what went on and turned a blind eye.

"She said she's turned a few tricks when she worked as a cleaner herself.

"I never considered myself a prostitute – even though, technically, I was.

"It was just daft to turn down that easy money."

But Grace didn't just swallow spunk for cash – she also did it for fun.

She said: "There were some fit guys on that boat – some really fit guys.

"There was this one guy, Franco, from Spain, who was a personal trainer.

"His shorts were so tight you could almost see the veins in his fat, meaty cock.

"Each voyage he'd shag his way through all the randy old dears and make a pretty penny doing so. But he was still ready for more fanny after hours.

"He f**ked me twice – and let me tell you, once he'd f**ked you, you stayed f**ked.

"And spunk! Considering he's been f**king old women all day, there was still loads of it later on.

Horny

"His cock was like one of the fountains in the grand ballroom!"

Grace also experienced her first taste of ANAL aboard the liner.

She said: "There was this Polish guy called Gunter who I was seeing for a week or two.

"He had a big cock, so when he said he'd like to do anal, I said no way. It would hurt so much.

"But one night, after a bit to drink, I said yes. I got so horny lubing up his shaft.

"I was rubbing my hands over this thick cock, thinking, 'This will never fit up my arse'.

"But it did. Eventually."

Grace said that at the end of the summer she had a cool five grand in the bank and a host of notches on the bedpost.

And she quipped: "I doubt I'll ever do that much f**king again. It was awesome."

SCHOOL'S SHRINK MADE PORN FLICK WITH BOY, 17

FACING LIFE: Eckblad

A SCHOOL counsellor has been caught making homemade porn flicks with a 17-year-old boy.

Pretty brunette Amanda Eckblad, 22, now faces charges of child pornography and a having sex with a minor which could see her jailed for 25 years.

A police report states: "During an investigation into a sexual relationship between the defendant and a 17-year-old male, Eckblad's phone was searched, revealing a video of the two having sexual intercourse on March 30."

By BARNEY SAMUELS
news@sundaysport.co.uk

Shagging

Eckblad has worked as a youth delinquency intern and a high school counsellor in Racine County Wisconsin.

It was later found that the pair had been living together in Eckblad's home and she had regularly been shagging the teenager.

She is also charegd with buying the lad a semi-automatic weapon which was used in an incident two days before her arrest.

A police source said: "This is all kinds of messed up. She met this boy when she was trying to help him and ended up helping herself to his penis. This is not really what we want our school counsellors to be doing."

TARMACADAMN

A DRUNK sunbather in Gdansk, Poland, had to have his leg amputated when he fell asleep in 35 degree heat and the tarmac he was lying on melted around him.

TRANS-GRESSION

HARRISON Markland, 19, has been jailed for life for blasting best pal Halton Langley, 20, in the face with a gun after he hired him a transsexual hooker to shag him in Arkansas.

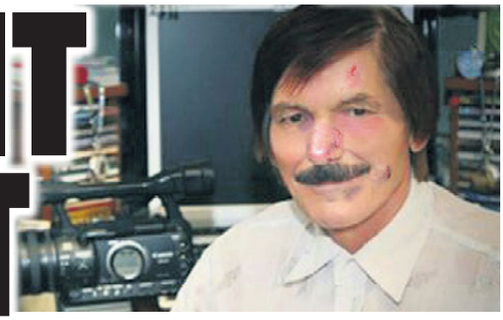
CRAPPER SNAPPER HAS THE SHIT BEATEN OUT OF HIM



'Misunderstanding' when Pete took photo of men in Redcar public toilet

POO TROUBLE: The gents' bog where Pete *(above)* got twatted by locals

A MAN who set out to photograph all 8,367 PUBLIC TOILETS in the UK has given up his quest after he was mistaken for a pervert and BEATEN unconscious.

Pete Marshall set out on his Land's End to John O'Groats odyssey to highlight the loss of municipal shithouses across Britain.

The 46-year-old had snapped more than 2,000 crappers and posted the results on his website.

But he ran into trouble in the seaside resort of Redcar, Teesside, where locals thought he was a sex snoop.

Pete, of Reading, Berks, said: "I tried to explain my mission to these gentlemen but they thought I was a perv. They gave me a proper pasting.

Lurking

"At first I thought they had massively overreacted to catching a man with a camera lurking near urinals.

"But I suppose on reflection the sight of someone else's lens near to your flowing todger could be a cause for concern.

"I know from personal experience just how off-putting it can be to try to take a piss when someone is stranding uncomfortably close.

"So perhaps they had a point when they grabbed the camera out of my hands, threw it to the floor and proceeded to smack my teeth in.

"I woke up caked in dried blood on the piss-soaked floor.

"I can't be certain, but I reckon they pissed on me, too.

"I was covered in it, it definitely wasn't mine. Mine smells of Sugar Puffs, or occasionally chilli con carne.

"And they stole the camera, too. So I decided when I woke up to give up the toilet project."

Pete says he'll now concentrate on his new project – photographing every kids' playground in Britain – which he reassuringly reckons will be "much safer".

Cop kicked off force for waving cock

A DRUNK police sergeant has been fired following an investigation in which he was accused of exposing himself in a bar.

According to an Internal Affairs report, a group of cops were celebrating a detective's promotion and got together after a dinner.

Civilians saw Sgt James White "intentionally exposing his scrotum and testicles outside his fly".

He then wandered around the bar area and sat at a table, still with his tackle hanging out.

He was said to have twisted his seat to provide an "unobstructed view" of his genitals.

The incident last August at Leroy's Southern Kitchen and Bar in Punta Gorda, Florida, led the investigators to conclude witness statements were true and booted White (*above*) off the force.

The PEOPLE most likely to suffer injuries at work are hairdressers.

Perv pulls out pud on a train

A FLASHER is being hunted by transport police after exposing himself on a train.

The pervert struck on a Northern service from Colne to Blackpool South.

A 50-year-old woman got on the train at Preston and the man "then sat in front of her and exposed himself in front of other passengers," said British Transport Police.

The woman got off the train and informed staff at Preston, but the flasher fled the station, the force added.

A police source said: "These train wankers really are a menace.

"What's wrong with going home and pulling your pud in private instead of showing it to everyone else?

"It ruins the journey for everyone."

Danni shore looks HOT!

DELIGHTFUL Danniella Westbrook sent temperatures ROCKETING when she stripped TOPLESS and showed off her PERFECT boobs to thrilled onlookers.

Wearing just a towel round her waist as she strutted her stuff in Majorca, the ex-*EastEnders* megastar smiled at our photographer before chatting to fans.

One said: "I couldn't believe my eyes when I saw who it was.

"I quickly grabbed a pen from my bag and got her to sign my fag packet.

"She's even fitter in the flesh than I ever imagined."

How hard can tatt be?

COPS have been slammed for being incompetent after failing to track down a man who has tattoos all over his face.

Ebb Duhamel (*right*) has been on the run for five days after an armed stand off in New Jersey.

He managed to escape from a barricaded house and then stole a car before disappearing.

The 30-year-old is wanted for menacing, inducing panic, and violation of a protection order.

One critic said: "How can they miss him. There's no way this guy can blend into the crowd. He makes Where's Waldo look easy."

Prof dumps cock size & self-esteem programme

A UNIVERSITY boffin has been forced to abandon a study on the relationship between penis size and self-esteem.

The female professor scrapped it after participants submitted images of cartoon characters, rather than of their genitals.

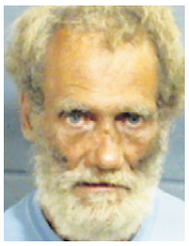
Alicia Walker, a sociology professor at Missouri State University, appealed for men over the age of 22 to complete an anonymous online survey, measure their penis, and submit a photo to verify its size.

She "had also been conducting qualitative interviews by email or phone".

She said: "The kind of work I do is not for everybody. These are not sexy pictures. They are clinical images."

The professor added: "I've spoken to men who have been suicidal because of their anxiety and unhappiness with their size or perceived size.

"We need to be talking about men's body dysmorphia, and the way our society worships size and the way that worship impacts men."



Nude biker caught with gear out!

A MAN has been arrested for indecent exposure after he was caught cycling down a road with his meat and two veg hanging out.

Michael Eugene Brown, 58 (*above*), was seen riding a bicycle, unclothed, on the Reno Rail Trail in Texas, early one morning.

"After an investigation was conducted, Brown was arrested for indecent exposure, possession of marijuana under two ounces and possession of drug paraphernalia," said Chief of Police Jeremy Massey.

A source added: "Sorry, but you can't cycle with your balls hanging down like that.

"His pecker was flapping all over the goddam place.

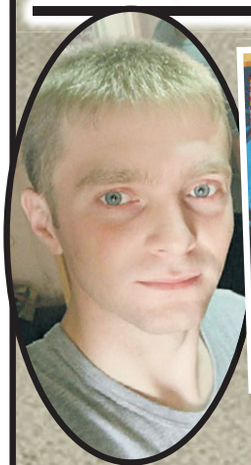
"Nobody wants to see that. It's ungodly."

WILLY WAVE

NUDISTS are calling for more naked beaches across Ireland, insisting they're needed during the current heatwave and that "nobody should be offended by a nude body".

My fella went down on me & found his missing 2006 Panini World Cup Zidane sticker

STICKER TWIST: Missing Zidane sticker finally turned up in the folds of Zoe's enormous cleft



GOAL: Darren had all the stickers for his Germany 2006 World Cup Panini album but lost the last one before sticking it in – but now it's turned up 12 years after his sex romp

A PANINI football sticker missing since the 2006 World Cup has turned up – between a 30-stone beauty's thighs!

Zoe and Darren Fellowes had just started dating when the Zinedine Zidane sticker went astray.

His Germany '06 album remained incomplete until Darren went down on her at their Hull home, to celebrate Eric Dier's winning penalty against Columbia last week.

SUNDAY SPORT EXCLUSIVE
By SIMON DEAN
simon@sundaysport.co.uk

Zoe, now 32, said: "We started dating right at the start of the World Cup, which was in Germany that year.

Finger

"Darren would have gone to Germany but he was skint as old arseholes back then so many of our first dates were spent watching football on the telly at his flat.

"He wouldn't lay a finger on me until the final whistle had blown and he'd watched some of the after-match analysis."

And it was during some post-match coitus that Darren, then just 21, lost his treasured Zinedine Zidane Panini sticker.

Zoe explained: "He'd collected all the stickers and put them all in his album. The last one he needed was Zidane. He'd bought so many packets and had a ton of swapsies.

"Finally he got it and his collection was complete."

But Darren didn't put the sticker in the album and, after a night of passion with Zoe, it had disappeared.

Zoe said: "I remember him calling me the next day at work and asking if I'd seen it. I said of course I'd not seen his silly sticker. We argued and almost split up.

"In the end, Darren refused to buy another sticker in 2006. He said it was a point of principle. The daft bastard."

Daft bastard or not, the couple married – though the issue of the missing Zidane sticker often came up.

Zoe said: "He still blamed me, I could tell. Then, after the England Columbia game, he came up from between my legs with that bloody sticker.

"It must have been in a fold of flab all that time. Darren was over the moon!

"If I hadn't been a bit tubby, that sticker would have been lost forever."

Darren, 33, was unable to comment as he was watching the football."

Airbnb kicks out naked spa couple!

A SAUCY couple were kicked out of their Airbnb stay for bathing NAKED in its spa.

Furious Lauren Eve said the hosts at an Airbnb lodge in Paihia, New Zealand, "went off" at her and her partner after finding them watching the sunrise naked from a spa pool they believed to be private.

They booted the pair out, giving them a few hours to pack up and find a new place.

"It is clear to us that the hosts used a few minutes violation of the spa pool timing rule (that we only got informed about after we had paid) to kick us out because they had a problem with us being nude in a private area we had booked and paid for," Eve said.

A spokesman for Airbnb said the spa was in a shared area.

They said: "It was also made clear by the hosts in the house rules and in a separate message to the guests that the spa was in shared area and was only to be booked for one hour."

Anti-Trump halfwits shame UK

HAS Donald Trump ever murdered anyone?

Don't think so.

Has he ever ordered his armed forces to invade a sovereign nation?

Nope.

Has he poisoned British citizens in Wiltshire?

Not that we know of.

Does he preside over a despotism that denies people human rights, subjugates women, slaughters ethnic minorities?

Well, he did boast of "grabbing pussy" and was a bit rude about Mexicans but, strictly-speaking, no.

Yet, though not a genocidal warmonger and despite him being the leader of our most-important ally, Trump will be about as welcome when he arrives in UK on Friday as a Novichok salesman at the Wiltshire county fayre.

(I imagine they spell it fayre, in Wiltshire).

The reaction to Trump's visit has been downright embarrassing.

Some twat has decided to float a 20-foot inflatable 'Trump Baby' above Parliament Square when the Pres visits.

Worse, London mayor Sadiq Khan has given it the official thumbs-up.

Virtue signalling's a lot easier than getting to grips with all them Londoners stabbing and shooting each other, isn't it Sadiq?

You useless c**t.

Banned

The Lord Mayor of Sheffield has "banned" Trump from entering his city.

Magid Magid branded Donald Trump a "wasteman".

Nope, haven't a clue on either count. But it will hit Trump hard, that. He'll be snubbed by f**king Crewe next!

I doubt if even half of the people jumping up and down about Trump's visit have given any thought as to WHY exactly they're protesting.

The Wall, maybe?

Trump's wall hasn't even been built. The only anti-migrant walls that do exist are being thrown up on the borders of the European Union.

Maybe it's the pussy thing?

Trump made a crude remark about women. Yet Lefties still fawn over film director Roman Polanski – a filthy little c**t who raped a child up the arse and then fled justice.

Meanwhile, the real bad guys – the leaders of Russia, China, Saudi Arabia, etc – get a more or less free ride from the Left.

"Well, it's their culture, innit?"

Bollocks. I've said here before and I'll say it again.

Trump looks and sounds like an utter arsehole. I would flee several miles over broken glass to avoid him.

But he's the boss man of the world's greatest democracy. He's also extremely pro-British and we may need a few friends in the months to come.

But common sense has little weight with these juvenile anti-Trump halfwits.

It says on Twitter that he's bad – so he must be bad.

F**k me, I'd let Trump's Secret Service use these twats for target practice.

Naked cyclists hit the streets of Belgium

SADDLE PHWOAR: Pretty cyclists at the naked event

EYE-CATCHING: A campaigner in body paint

PINK TO MAKE THE BOYS WINK: Lady lets it all hang out

By BRAD CHADWICK
news@sundaysport.co.uk

AS a rule, if you see a Belgian stripping off it's a good idea to FLEE.

This is because a naked Belgian is usually engaged in some vile sex crime.

But last weekend came the exception to that rule.

A group of around 200 naked cyclists took part in the 12th Cyclonudista in the centre of Brussels.

The event is to raise visibility of cyclists who keep getting run over in city – also the heart of the European Union.

Organiser Jérome Jolibois said: "We had quite a few accidents involving cyclists in the past few weeks.

"We often hear that the motorist in question, or the lorry driver, hadn't seen the cyclist.

"So when we cycle naked, motorists won't lose sight of us any longer…that's our idea."

School Miss sent sex pics to boy of 15

A SEX mad school Miss sent dirty messages along with nude photos and videos to a high school teenager.

Police learned that a 15-year-old boy had been bragging about inappropriate contact with a woman on Snapchat.

The lad told cops he met Rachele Lynn Patino (*above*), 39, at the end of his ninth grade year and they began to "communicate over the internet and by phone," using Instagram and Snapchat.

Patino sent the teen nude photos and videos, told him she was horny and asked for pictures of the victim, which the victim sent, a report states.

The student said Patino told him she wanted to meet up with him "and that she had a Jeep with plenty of room in it and would be glad to pick the victim up".

During an interview with cops in Belton, Texas, Patino admitted sending nude photos, and that she knew the victim was underage.

She has been charged with soliciting a minor.

Sicko flashes a woman aged 85

A FLASHER who exposed himself in front of an 85-year-old woman is being hunted by police.

Officers were called to Watling Street in Gravesend, Kent, just after 4pm on Tuesday to a report that a man had indecently exposed himself on a path off the road.

Witnesses said they had seen the man talking to an elderly couple, who were with a toddler, before approaching another pensioner, where he is then said to have committed the act.

A police spokesman said: "Officers attended the scene and conducted an area search but were unable to identify any suspects."

One source said: "There's something about the hot weather that brings out all the pervy weirdos – and their shrivelled cocks."

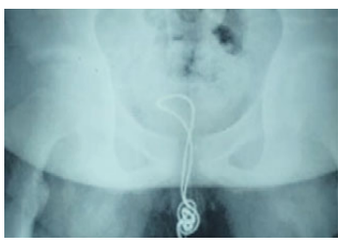
Age 27, 34DD, from Haslemere, Surrey

THE CABLE... WHY?



A "CURIOUS" bloke had to have surgery to remove a phone charger from his cock after he stuck it in his chap's eye and it got lodged.

The man, whose name has not been released, is said to have inserted half the eight-inch USB cable down his penis before realising he could not pull it out again.

He was rushed to hospital where medics applied lubrication in a bid to pull the cable out.

However, when that proved unsuccessful and caused intense pain the man had to undergo surgery.

Doctor Xu Liyan, the resident urologist at the hospital in Linkou in China's north-eastern Heilongjiang province, said: "He cut off one end of the cable and inserted it into his urethra.

"The cable reached his bladder, where it got tangled and ended up in a knot, so when he tried to pull it back out, it became stuck."

Doctor Xu said she and her team had no choice but to operate.

They sliced into his bladder to find the knotted cable, snipped the tangled section and removed the remaining cord through his urethra the same way it went in.

The man later told doctors that he had been "curious" about his genitalia at the time.

He was discharged from hospital two weeks after his surgery.

Two arrests in fake teen love triangle

TWO men have been nicked after a bizarre revenge porn wrangle in which one of them pretended to be a 15-year-old GIRL.

The tangle unravelled after Garrett McMahan, 39, who works for US Customs and Border Protection, called cops saying that 32-year-old Josh Pringle (*above*) was posting inappropriate photos of him online.

Police found that McMahan once dated Pringle's ex-girlfriend and the pair, from

Harrison Township, Michigan, had been at war ever since.

They also found that McMahan (*above*) had willingly sent pics of his genitals to Pringle – because Pringle was pretending to be a teenage girl.

McMahan was charged with one count of accosting a child for immoral purposes and one count of using a computer to communicate with another to commit a crime.

Pringle pleaded guilty to one count of Attempted Unlawful Posting of a Message and was given 12 months probation.

Son nicked for blasting mum

ANGRY Bisbey Holton was arrested for attempted murder after shooting at his own MUM when she demanded rent and petrol money from him.

According to an arrest report, police rushed to the house on June 30 after the victim called them and said her 20-year-old son was shooting at her and was still in the house, armed with the gun.

After detaining Holton, officers spoke with the victim who told them she and Holton got into a heated argument after she asked him for money.

At first, Holton went to the kitchen for a knife but changed his mind and got a handgun from his bedroom. That's when he pointed the gun at his mother and fired twice as she ran to her bedroom.

Holton's mum told officers she was scared for her life and had felt a bullet skim her cheek.

Holton was arrested for attempted murder and remains in prison.

MOOBY DAZZLER: Stan shows off his huge man boobs

WHEN wimpy Stan Groves saw an ad promising big muscles and a He Man-style chest, he didn't hesitate.

The ex-school crossing supervisor sent £200 of postal orders to a PO Box address in Goole and within a week had a month's supply of his steroid-based wonder drug.

Stan, 54, told *Sunday Sport*: "There was a lot of writing on the boxes but it was all in Chinese, or something. I saw a skull and crossbones but I thought that must just be a logo."

The one-time Scout volunteer said: "I took one and nothing happened, so I took another. Still nothing. I thought 'Oh bollocks, I've been ripped off'."

But the next morning, Stan noticed something when he woke up in his flat in Leicester.

Tits

He said: "My chest was a bit bigger. And it was bigger still, the next day."

In fact, Stan's chest grew and grew… and GREW.

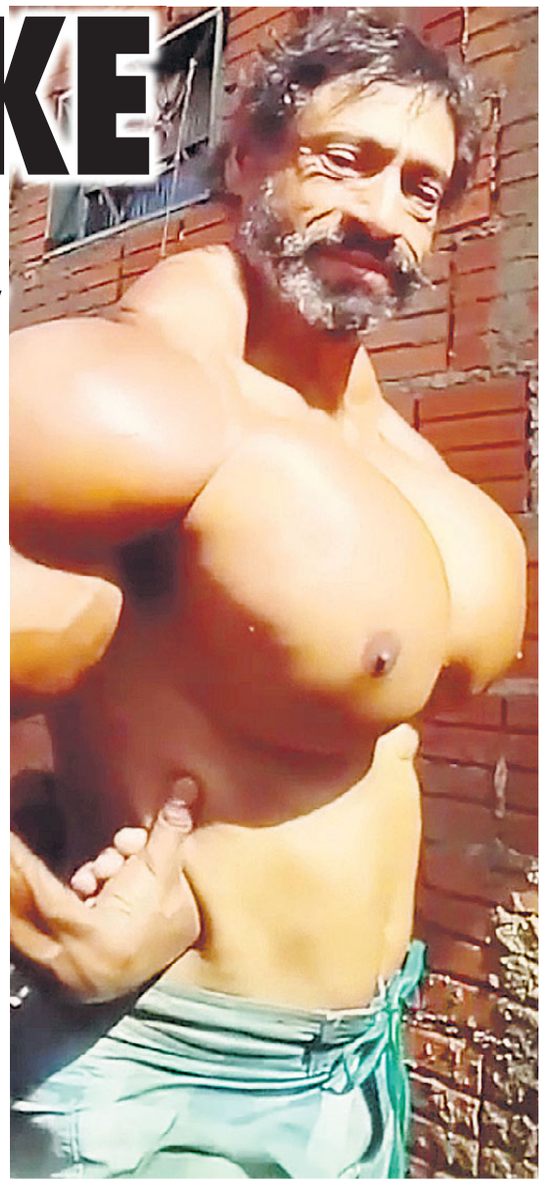
Last night he wailed: "After three weeks, I realised I had women's tits. They're very nice women's tits, yes. But they are women's tits.

"I tried contacting the firm that sold them to me but their phone's been cut off.

"Now my tits keep on growing. What the hell will become of me?"

Dr Frank Yield of the University of West Lancashire said: "You need to be a bit of a twat to take bodybuilding steroids in the first place.

"But buying them from a PO Box in Goole. What a dick. He deserves all he gets. Daft c**t."



CRETINOUS CONMAN'S 'I'M PETER STRINGFELLOW' CLAIM

COCK-UP: Blakeley dropped a 'fatal' clanger

He didn't realise club boss was DEAD

CLUELESS conman Colin Blakeley thought he'd plotted the perfect scam.

With his striking likeness to famous nightclub boss Peter Stringfellow, he would convince gullible moneymen to invest in his expanding adults-only leisure empire.

Blakeley, originally from Poole, Dorset, even developed a Yorkshire accent as part of his plan to pull off a convincing impression of the long-haired Sheffield-born lothario.

But there was one gaping hole in his sinister scheming – the fact that Stringfellow was actually DEAD.

The 67-year-old now faces years behind bars after his failed rip-off led police to discover further scams he's been involved in over the years.

A Scotland Yard source explained: "He's been involved with pyramid schemes, water filter things, dodgy diet bars and a ridiculous herb or juice thing which blatantly didn't work."

Divorced Blakeley, awaiting sentencing after admitting three counts of fraud, groaned: "How was I to know Peter Stringfellow had died?

"I think I've made a right c**t of myself."

Would YOU let these students tidy YOUR garden?

A GROUP of guerrilla gardeners have set up shop, promising to turn derelict corners of cities into a flower-filled oasis of beauty and tranquillity.

And while the big-hearted, green-fingered student volunteers offer their services for free, they do have a few conditions, which include:

- **You need to feed them**
- **You need to buy your own plants**
- **You must let them work stark bollock NAKED!**

Organiser Tilly Johnson, 21, said: "We're all studying horticulture and we're all naturists.

"We all like helping people, so this is doing all three at the same time.

"We're inundated with work. And we've only had one 'touchy' person so far, thank God. We put this right…with shears!"

The group are based in Brooklyn, New York, which Tilly described as "very liberal".

Seat sniff perv caught near Pippa's Wimbledon chair

By GARY DORAN
gary@sundaysport.co.uk

A NOTORIOUS seat sniffer was nicked at Wimbledon last week – after trying to get a whiff of Pippa Middleton's centre court cushion.

Clinton Dennison, 34, was caught in the grounds of the London tennis venue by security guards.

A source said: "He cried his eyes out and whimpered, 'I just want to smell Pippa, I won't hurt anyone!'"

Dennison, of Crewe, Cheshire, will appear in court this week and faces prison, after breaking the terms of a Criminal Behaviour Order which bans him from all public events in the UK.

SUN WORSHIPPERS: Imogen and Louise soak up a few rays

By WENDY THOMAS
news@sundaysport.co.uk

WE may be having a heatwave here in the UK but these babes will make you feel ever HOTTER!

The girls – Louise Cliffe and Imogen Gray– peeled off their bikini tops for the shoot in Dubai.

Manchester lass Louise, 27, who boasts 34D boobs, cooled off in the pool with her 24-year-old blonde pal Imogen, a 34C babe from Birmingham.

Louise said: "We had to do these shots in the hotel pool.

"If you tried taking photos like this on the beach in Dubai you'd be arrested – and probably start a riot!"

As the girls writhed around, rubbing their bits against each other, they left fellas writhing around in fits of lust!

One said: "If they had invited me to Dubai I think I'd have come...I mean gone!"

FIRST HANDJOB

SARAH: I was pretty much a nun until I turned 19, then I started experimenting with my boyfriend. I had sex before I gave a handjob as I didn't fancy touching one.

Then one night I realised I had to get over my fear so I asked my man if I could give it a go and he was more than willing to let me.

I quite liked doing it simply because it was so easy and it only took me about 30 seconds to make him cum.

It was a big achievement!

EMMA: I was 16 when I first gave a handjob. It was in the loo with a lad I'd pulled at a party. I was feeling horny and led him in there, pulled his pants down and had a go.

I didn't really know what I was doing so I made it up as I went along. I was a bit tipsy and kept stopping, so it took me about 15 minutes to make him climax.

FIRST BLOWJOB

SARAH: I gave my first blowjob after my first handjob, and the first time I did it I realised it was my favourite thing to do in the bedroom – I just asked him one night and he let me.

I was a natural and I could see he enjoyed it more than sex and I got a real thrill out of seeing how much he liked it.

It took about 15 minutes before he climaxed but he was a real gentleman and didn't cum in my mouth.

Instead he shot it all over my boobs – I really enjoyed the whole experience.

EMMA: My first oral was when I was 17 and I did it to a lad I was dating.

I went back to his place after a night out and he went down on me for the first time so I felt compelled to return the favour.

Unfortunately he had a really big willy so it was a bit tricky and I didn't enjoy it.

We were lying down doing it and to make matters worse he stuck his finger in my bottom! I gave up after about five or 10 minutes because it was just too difficult.

FIRST ROMP

SARAH: I planned my first time when I was 19 – but I didn't tell my boyfriend so it was a nice surprise for him.

He was quite experienced and I'd made him wait a couple of months, but it just felt like the right time to do it.

I loved him and he was really gentle with me and made it very special. It was exactly like I wanted it to be and was all over in 10 minutes.

I couldn't wait to do it again and couldn't have wished for a better first time.

EMMA: I lost my virginity on Christmas Eve when I was 16 to a lad from school who lived near me.

We were close mates and had done other stuff with each other so when I went round to his house after I'd been to a family party it wasn't a big surprise when we ended up having sex.

It lasted half an hour and although it was a little bit uncomfortable it was quite nice. It was great to get it out of the way because your first time is always such a big thing.

FIRST BUM FUN

SARAH: I'm lucky because I haven't had to say no to having anal sex because my boyfriend tried it with his previous partner and he didn't like it – so he hasn't asked me to do it.

I'd like to try it one day because I think you should give everything a go once – not until I'm a bit older though.

One of my friends reckons anal sex is better than normal sex!

EMMA: I first tried it with my ex last year. He was mad keen on doing it because he'd done it with previous girlfriends and said that it was really good.

I wasn't so sure but I didn't want to disappoint him. It was OK, but didn't hit the spot for me like having a willy in my fanny, to be honest.

FIRST ADULT TOY

SARAH: The first sex toy I used was a pair of handcuffs that my friend had bought me for my birthday.

I handed them to my boyfriend one night when I was feeling kinky and he put them on me. It was fantastic, handing control over to my fella like that and being totally submissive. It brought the best out of him and it was one of the best nights of my life.

EMMA: My first sex toy experience was with a massage stick and a tube of edible lube. I bought it for my ex last Christmas and we used it for the first time on New Year's Eve.

It was brilliant massaging each other with the stick and using our tongues. It was a real turn-on and fantastic foreplay. It just got us both hyped up for electric sex.

> **It was odd having sex in fancy dress but my Snow White outfit turned us both on**

FIRST OUTDOOR ACTION

SARAH: I did it outside for the first time just two weeks ago. It was at my boyfriend's 21st birthday party and we did it on a bouncy castle in his back garden.

I'd been pestering him to do it outside for ages so it was really exciting. The bouncy castle was full of foam and we just nipped out of the house when everyone was in there drinking and dancing so we could have a quickie.

I loved it because it felt really daring knowing anyone might catch us in the act.

It was difficult until we got a rhythm going, but then it was brilliant.

EMMA: My first time outside was with my ex-boyfriend in a back alley next to my friend's house when I was 19.

We'd been to my mate's house and were drunk, bored and horny so we nipped out the back door for a quickie.

We were just getting into it when a car started beeping its horn and flashing its lights at us!

So we ran back inside and finished off in the bathroom. It's fun doing it outside because you know you might get caught.

FIRST DRESSING UP

SARAH: I'm a cheerleader and last year I wore my costume in bed for my boyfriend. It was the first time I've ever dressed up for him, and we both really enjoyed it.

It's quite a skimpy outfit and he couldn't keep his eyes – or hands – off me.

I loved having sex wearing the costume as it felt really horny. I was playing a flirty cheerleader and it definitely turned both of us on. I'd love to do it again!

EMMA: The first time I had sex dressed up was when I was wearing a Snow White costume for my friend's 21st last year.

My boyfriend was dressed as Scooby Doo and we jumped onto the back seat of my friend's car for a quickie because we were a bit merry and very horny.

It was really weird having sex with Scooby but I know my skimpy Snow White outfit turned my fella on – especially the red garter. It totally spiced things up!

FIRST FANTASY

SARAH: I lived out my fantasy last year when I tied my boyfriend to the bed and smothered his body in chocolate.

Usually he takes control and I wanted to take the reigns for once. It was great fun and I loved biting and licking him.

It was great foreplay using the body chocolate and then later when we had sex we did everything my way.

EMMA: I lived out my fantasy earlier this year when I had a threesome with my boyfriend and a girl that I'd been having a bit of a fling with.

We went clubbing together and I started getting off with my mate in the toilets.

We decided to ask my boyfriend to go back for a threesome and he couldn't believe his luck. It was fantastic!

TORI-FIC: Top porn star in X-rated action

PART 11 TORI BLACK

By PENNY MARSHALL
news@sundaysport.co.uk

TORI Black – real name Michelle Shellie Chapman – was born in Seattle, Washington, in 1988.

She did an undergraduate course in journalism and while in Florida on holiday from Western Washington University, saw an advert for an adult talent agency and sent in her pictures.

The agency accepted and Tori's first scene was a solo shaving video for The Score Group, which was filmed in 2007.

She was the Penthouse Pet of the Month for December 2008.

In 2010, she was named by *Maxim* as one of the 12 top female stars in porn, while *Loaded* magazine voted her the world's prettiest porn star.

In 2011, she was named by CNBC as one of the 12 most popular stars in porn and CNBC noted her role as Catwoman in Vivid Entertainment's *Batman XXX: A Porn Parody*.

In a 2014 interview, she gave her views on semen.

Tori said: "I like it in my throat, I like it in my pussy and I like it in my ass.

"I want it to go in and then drip back out so I can play with it. Or swallow it."

STUNNING: Tori was voted the world's prettiest porn star

HANNAH GOES WILD IN THE WOODS!

HORNY Hannah Claydon loves the great outdoors – and had the time of her life shagging in the woods!

The 26-year-old stunna, from Wakefield, West Yorks, was asked where her wildest place for nookie was.

Hannah, who boasts 32GG boobs, said: "In the woods. I was out for a walk with my man and the mood came over us.

"One thing led to another and we just ended up doing it. It was so exciting knowing someone could walk past and catch us at it at any moment!"

Hannah's speciality is a slobbery gob-job.

She purred: "I've been told I'm very good at them! I've got a fantastic technique and I know what I'm doing."

BOOBS ON THE BOX

BRITAIN'S ONLY NAKED TV GUIDE with SIMON DEAN

TODAY

C5, 11.15pm, *Hot Tub Time Machine 2* – CHRISTINE Bently bares her breasts for Rob Cordry at 41 mins, but he's thwarted by time travel. Bah! Dontcha hate it when that happens?
ITV4, 9.55, *The Glimmer Man* – THERE'S boobs on display courtesy of Susan Reno. But she's playing a corpse so it's, er, specialist.
Sony Movie Channel, 11.50pm, *Machete* – LINDSAY Lohan and Alicia Rachel Marek hit the pool and invite Danny Trejo for some threesome action (*above*) at 55 mins. Great gazongs from Alicia, but Lindsay's belong to a body double.

TOMORROW

Horror Channel, 2.30am, *Demons* – PUNK gal Bettina Ciampolini allows some creep to scrape cocaine off of her breast while Billy Idol blares on the soundtrack at 48 mins.
Sony Movie Channel, 10.50pm, *Code of Honor* – ILEANA Huxley peels off her bra (*right*) and dances on a guy's pole at 19 mins!
TCM, 9pm, *Last Man Standing* – KARINA Lombard enjoys smelling fragrant smoke. We enjoy watching her lovely naked rack in the mirror at one hour.

TUESDAY

Horror Channel, 2.30am, *Virgin Witch* – ANN Michelle (*above*) flings her pert pink-nosed puppies around outdoors while posing for a photographer. Then she loses her jeans to spice things up with some bunnage at just short of 18 mins! And that's just for starters. Plenty more where that came from – oof!
Film4, 10.45pm, *Alien: Resurrection* – NICE peep of Sigourney Weaver's teat-end through a see-thru robe just one minute in.
Sky Greats, 11.55pm, *The Wicker Man* – INGRID Pitt shows her tits in the bath. Classic nudity.

WEDNESDAY

Paramount Network, 9pm, *Indecent Proposal* – DEMI Moore shows off a bit of tit early on (*above*) while making out with lucky Woody Harrelson.
Horror Channel, 12.55am, *01:02:00* –STROBE lighting illuminates a room where Skye Lourie is nude and bloody, giving us quick glimpses of her breasts at one hour two mins!
Horror Channel, 2.40am, *The Canal* – HANNAH Hoekstra gets a a hefty humping from her boyfriend at 21 mins. We see right boobie while she's getting screwed, but her husband's look of anger and disappointment kinda ruins the scene.

THURSDAY

ITV4, 11.55pm, *On Deadly Ground* – CARLOTTA Chang plays some chained-up chick with her busters out in a dream sequence.
TCM, 11pm, *Point Blank* – NICE bit of tit courtesy of Angie Dickinson in this classic Lee Marvin flick from way back in 1967
Sky Comedy, 9.40pm, *American Pie: The Wedding* – YOU know the score by now. Stripper dressed as maid (*right*). Big teats out. Woof!

FRIDAY

ITV, 10.45pm, *The Last Boy Scout* – SARA Brown plays a topless dancer in a cage in this Bruce Willis flick. She does what topless dancers do!
Horror Channel, 10.45pm, *Boogeyman 2* – CHRISSY Griffith's cute, goose-bumped bumps are bared in the mirror at 36 mins, but her face isn't in the shot, so it may be a body double.
Movies4Men, 9pm, *Brooklyn's Finest* – SHANNON Kane doffs her top (*above*) for Mr Richard Gere. Nice teats, too.

PICK

TODAY

MONDAY

North Korea: Murder In The Family – BBC2, 11.15pm

NOW that he's Donald Trump's best made it's easy to forget just how batshit crazy North Korean dictator Kim Jong Un rreally is.

Watching this documentary will soon set you straight, though.

IT examines how he ordered and orchestrated the killing of his own half brother by female assassins as he went to catch a plane at a Thai airport.

You can't choose your family, they say, but Kim's given it a good shot.

That's a bit more hardcore than Boris Johnson sniping at Theresa May about Brexit.

Show about the past is a blast

Who Do You Think You Are? – BBC1 9pm

STARRING the ever popular Olivia Coleman who thought that her background would be far too dull for the show as it has been generations from Norfolk all the way back.

But as is always the way it turns out there were skeletons in the family closet and she ends up on a trip to India.

Why is it all these celebrities have an interesting past? No-one ever gets told: "Sorry, nothing interesting happened in the last 500years of your family."

Anyway, the historical show is always worth a watch.

OF THE TELLY

By BARNEY SAMUELS

Keep the flag flying, Lewis

***Formula One: British Grand Prix* – C4, 1pm**

IT'S a hell of summer for sport with the World Cup and Wimbledon in full swing – but don't forget about the almost always brilliant British Grand Prix.

As the home of motorsport we're duty bound to put on a good display and more often than not we've come up with the goods.

This one's finely balanced with Brit champion Lewis Hamilton not having the best of seasons so far.

Here's hoping he can turn it on and avoid the mistakes and mechanical issues he suffered last week to take the checkered flag – and keep flying the flag for Britain.

***Tour de France* – ITV4, 12pm**

AFTER a leaked suspicious drugs test it looked like Britain's Chris Froome might be out of this year's race. But he's been cleared of any wrongdoing and is free to defend his title and go for his fifth consecutive win.

But he and Team Sky are still controversial and hugely disliked by cycling fans in France, so as well as the spectacle of the race it's worth watching to see if any loons have a go at Froome as he whizzes past at 50pmh.

***Vera* – ITV, 8pm**

EEE, PET, it's a bonny murder this one, like.

Northumbria's cheeriest detective is investigating the killing of a man found floating in a river.

When they discover he had a link to some very dangerous people in the drug world a witness links the crime to an unsolved case from 13 years earlier.

Thrilling stuff.

TUESDAY

***David Walliams Presents: Revenge of It'll Be Alright On The Night* – 9.15pm, ITV**

DAVID Walliams is no Denis Norden that's for sure, but it doesn't really matter because the strength of this show is the hilarious clips of famous folk and news reporters cocking up – and cracking up – on camera.

And while you can see these at will on YouTube any time you like, it's still well worth a laugh on the telly.

***The Hotel Inspector* – 9pm, Channel 5**

IT may be because of I have a long-standing fantasy involving the lovely but very firm Alex Polizzi, some high heels and a bouncy castle but this entertaining programme is a great watch.

This week another hotel is in the shit and the staff turn to Alex for help.

Usually people rebel against the curly-haired goddess and her eminently sensible advice but the owner of the Grove Arms sees sense quickly.

DON'T MISS THIS!!!

***Mortimer and Whitehouse: Gone Fishing* – 10pm, BBC2**

THIS gentle series sees comic Paul Whitehouse teaching fellow comedian Bob Monkhouse all about fishing.

It's given an added level of poignancy by the fact that both men recently nearly died from heart troubles.

It not really about the fishing though, of course – it's more about the funny, warm relationship between these two apparently lovely chaps.

THE WORLD FAMOUS AGONY Page

Dear Dani,

I SHAGGED my bird and her best mate at the weekend and it was absolutely fantastic.

My girlfriend is a tasty sort, but her mate is gorgeous. She's a brunette, with a great body and lovely tits.

We'd all been to the pub and ended at my place. I suggested a game of strip poker and the game finished with them both sucking me off.

I then had my bird from behind while she licked out her mate, then they switched over. We ended up having sex all night.

The problem is that I now want to see my girl's friend for regular sex, but I'm supposed to be getting married next month.

What should I do?

FG, Essex

Dani says...
SEE if your girlfriend is up for some more threesome fun – but don't go behind her back.

Dear Dani,

I'VE got a problem with this sex text craze. Me and my girl are at it like rabbits, sending each other horny texts about 20 times a day.

She'll often text me to tell me she's just put her mobile down her knickers and can I ring her because she's got it on vibro.

Then after I've done that, she'll text me to say she's had the biggest orgasm.

As a treat we bought a pair of those new picture phones and she often sends me snaps of her fingers up her fanny.

She loves to receive pics of me wanking and at work the other day I got a bit overexcited and spunked all over the new phone.

Now all the buttons are f**ked. What can I do?

FT, Kent

Dani says...
ASK your girl to give it a suck.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week DANI MAYE has been reading through your letters and emails. Here's her advice...

Sex-hungry blonde tucks into flesh and chippies!

Dear Dani,

I'M a 38-year-old carpenter and I was recently called to do some work on a big job at a new estate.

There were about 20 chippies on site and all they could talk about was the antics of a busty blonde woman who was buying one of the houses.

Apparently, she came down to check on the work on her house every day and they told me she never failed to nosh off a few of the lads.

Sopping

At first I didn't believe them. But sure enough, later that day she turned up and spread herself out on a blanket and started to frig herself off.

She encouraged us all to get our cocks out and have a wank over her, but I was too shy to join in.

A few of the fellas didn't need asking twice, though. They set at it and soon she was covered in spunk.

The next day she bent over, pulled down her knickers and told us all to get our tongues in.

Again I was too shy to join in, but several of the fellas managed to get their tongues and fingers in.

As we were nearing the end of the job, she announced that if we finished on the date we'd arranged she would let every single one of us shag her.

We worked round the clock to get the job done on time and on the day she arrived wearing a big fur coat.

When she saw we'd finished, she slipped it off to reveal her sussies, peephole bra and nothing else.

This was my dream come true and I promised myself I'd get stuck in this time.

After about 15 of the lads had been through her, I stepped up and eased my cock into her sopping fanny and charged ahead until I shot my load deep inside her.

It was excellent and all the fellas cheered me on.

Now I'm ready for it at the drop of a hat.

DM, Cumbria

Dani says...

WITH the housing market being so unpredictable, you'd best get your kicks where you can.

Dear Dani,

I'VE had my lovely, sporty little car for some years and I like going for long drives in the countryside to kedep it ticking over.

The other week, I was enjoying a quiet ride through the Yorkshire Dales when I got a puncture, but fortunately after a few minutes a kind bloke stopped to help me.

He was quite a hunk and I reckoned he only pulled over after seeing my boobs in my flimsy blouse.

I'm in my thirties and still in pretty good shape, so after he changed my tyre I offered him a shag in the back.

But he said he'd only stopped as he liked my car. I was shocked and just a bit offended. Whatever happened to red-blooded men?

EW, Merseyside

Dani says...

WHO cares as long as you get your tyre fixed?

Tut... did you see that? No wonder he's lost serve... that was such a lazy lob. He needs to work on that
'Ere, I've got a LAZY LOB for YOU to work on!
(SIGH) I've told you, not until you've sucked my minge!
Now that's what I call GAME, SET AND SNATCH!
That's quite witty for you, Alan. Yes I'll tell Sheila that one tomorrow when I meet her at the bingo

Dani says...

YOU can't beat a bit of tennis!

Chintia: Mile High Club here I come!

CHEEKY Chintia Flowers confesses that she'd love to join the Mile High Club.

By WENDY THOMAS
news@sundaysport.co.uk

The 30DD beauty revealed that bonking on a plane thousands of feet in the air is her favourite sexual fantasy.

The naughty glamour babe says the thrill lies in the risk of getting caught.

Sexy Chintia, 24, from Budapest in Hungary but now based in Manchester, said: "Surprisingly, I've not joined the Mile High Club yet, though I've always wanted to, but it's next on my list.

"I've flown with a boyfriend – but we were with his family, so it just didn't seem appropriate!"

The busty beauty added: "I imagine myself being shagged doggy-style standing up, while watching ourselves in the mirror.

"Wow, I'm getting turned on just talking about it!"

WE'VE GOT ALL THE SCOOPS ON T

TOP GUNNER: N'Zonzi is heading to London from Spain — while Courtois (above) could be going the other way

STEVEN N'Zonzi on the verge of returning to the Premier League with Arsenal.

By JOHN ANTHONY

The former Stoke City and Blackburn Rovers man is the latest midfielder targeted by new Gunners boss Unai Emery as he adds more steel to his team.

N'Zonzi — who is at the World Cup with France — left the Potters for Sevilla three years ago where he worked under the Arsenal gaffer.

The 29-year-old has gone on to be a key part of the Spanish club, winning three Europa Leagues along the way.

N'Zonzi is keen to make the move to London and would cost in the region of £20million — which seems a fair price in the current inflated market.

The 6ft 5in midfielder is known for his calm passing and tackling — something the Gunners were obviously lacking last season.

Arsenal have had an offer of around £15m rejected but Emery wants the deal to happen so they will meet Sevilla's asking price.

N'Zonzi has handed in a transfer request and has a buyout clause of £35m in his deal that has another two years to run.

But he's one of the higher wage earners at the club so they won't ask for that amount.

Emery has been concentrating on bringing experienced players with bite into his team after letting more creative types like Jack Wilshere and Santi Cazorla leave the club.

Streetwise

He has signed a quality goalkeeper in German Bernd Leno and backed that up with veteran Stephan Lichtsteiner and solid centre-back Sokratis Papastatholpoulos.

They look set to be joined by Sampdoria and Uruguay henchman Lucas Torreira in a team that will be a lot more streetwise than those sent out by Arsene Wenger.

★Reports in Spain suggest that CHELSEA are about to lose Thibaut Courtois to Real Madrid.

There has been speculation for the past couple of summers that the Spanish giants would sign a new goalkeeper.

Their chase for Manchester United's David De Gea is well documented but looks set to end in failure.

They have also been linked with Brazil No1 Alisson but Roma are asking for an unrealistic £90m for a keeper who has only really had one good season.

Now they have stepped up their efforts to prise Courtois away from Stamford Bridge.

Chelsea cannot offer Champions League football to the Belgian, who has seen his profile increase further with some good displays at the World Cup.

Because he is about to enter the final year of his contract, Chelsea would be willing to let him go for a relative bargain £50m.

Snag

Liverpool would love to sign him too — but know it's unlikely that he would sign for another Premier League side while one of the world's biggest clubs were on his trail.

The one snag could be Courtois' allegiance to Atletico Madrid where he played earlier in his career.

But that shouldn't stop the move happening once

THE BIG SUMMER DEALS

STEVEN N'GONZI TO THE GUNNERS

Arsenal line up deal for £22m Sevilla midfielder

the World Cup is over. That would leave incoming Chelsea manager Maurizio Sarri with a headache as he looks for another top-class stopper to replace the Belgian.

He is likely to turn to Serie A where there are a number of quality keepers coming through.

As well as Alisson — who could be a target despite his inflated price — AC Milan had a top prospect in Gianluigi Donnarumma.

The 19-year-old has been tipped for the very top and is yet another goalie to have been linked with Liverpool should they see sense and ditch Loris Karius.

He would cost around £50m — so it would effectively be a swap for Chelsea as they could pay out the money they receive for Courtois.

★NEWCASTLE are stepping up their pursuit of Andros Townsend from Crystal Palace.

The Toon want their former player back and the Eagles are happy to sell — for a reasonable £17m.

The Magpies don't have a big budget this summer but that sort of fee is within their range and the forward would relish the chance of a return to St James's Park.

His wages of around £50,000 per week are also acceptable and the deal should be done in the next few days.

Newcastle look set to offload midfielder Matt Ritchie to Championside side Stoke to clear space for Townsend.

TAKE PRIDE IN OUR LIONS

WE'VE got a semi on! I've been desperate to say that during a World Cup ever since those agonising penalty misses against the Germans way back in 1990.

It's hard to believe that many England fans will never have seen us progress this far in a World Cup, that it's never happened before during the Premier League era, and more than anything, just how much of a genuine chance we've got of actually making it to the World Cup Final this time next week.

In previous years our path has been blocked by tournament favourites and old adversaries – the Germans, Argentina, Brazil and Portugal.

But not now. Gareth Southgate's plucky young lions can go into next week's final four battle with every confidence that they need not rely on their opposition "having an off day", but that, if they play as well as we now know they can, they have the chance of ultimate glory next week.

Whatever happens on Wednesday, this can truly be hailed a major success for the national team and an incredible turnaround in our fortunes.

The relationship between players, coach and fans seems unrecognisably better and having future England matches played at various club grounds will also help this. The country finally feels like it can get behind its team again.

The most important thing to do now is build on it and make sure Southgate is kept in the job to ensure the progression of the next generation of England stars – rather than playing certain big name stars just because the FA have had a few hundred thousand lunch boxes made up with them on.

Away from England, this World Cup has continued to prove to be the best one yet.

Belgium v Japan has to be one of the games of the tournament – and it's in great company with the Spain v Portugal and France v Argentina matches to name just two.

VAR has been both hero and villain but I hope they learn from it and keep it to black and white decisions such as offsides and not penalties.

Fact Hunt

Last week I asked: Italy were World Cup holders for 16 years but only played in tournaments tournament during that time. Why?

The answer is: The World Cup was suspended from 1938 until 1950 due to World War 2 so Italy's 1934 and 1938 wins meant they were still holders when the 1950 tournament started.

This week's World Cup Fact Hunt is: How many World Cup finals have been won by the host nation? Answer next week...

BIG TALENT: Kevin De Bruyne shone against Brazil

EURO STARS

THE World Cup Final will be an all-European affair after the exits of Uruguay and Brazil on Friday.

I must have been watching a different game on Friday night, however, as I thought Brazil having 17 shots to one in the second half and having a blatant penalty turned down might have been good enough to merit a draw.

The BBC pundits insisted, however, that I had witnessed a Belgium masterclass – could have sworn their first goal was a lucky own goal too.

What a goal by Kevin De Bruyne though – remember he wasn't the best player in the Premier League three last season even though his side won two of the three domestic competitions including the PL by 19 points!

Still the Red Devils it is who will meet France in Tuesday's first semi-final in St Petersburg with Belgium 2/1 at BetVictor to win in 90 minutes with Les Bleus favourites at 7/5 and the draw at 11/5.

France cruised past a disappointing Uruguay in the opening last eight tie and they were 2/1 favourites to lift the trophy next weekend ahead of yesterday's two quarter-finals with Belgium 5/2 and England 7/2.

France v Belgium is a tough game to call but I just wonder if the World Cup Final will be between Belgium A and England A after the phoney war between Belgium B and England B in the Group stages? Tis free to dream.

★England produced a wicket in Cardiff on Friday with a bit more bounce and their narrow success against India has set up a decider in the third and final T20 game in Bristol today which promises to be a cracker.

Eoin Morgan's side limped across the line chasing just 148in Wales, but they played the leg-spin of Kuldeep Yadav much better than at Old Trafford 48-hours previously and I just favour England (9/10 at BetVictor) against Virat Kohli's side (20/23) in the West Country.

De Bruyne's my World Cup ace

★Lewis Hamilton went into P3 at Silverstone yesterday just 8/11 at BetVictor to win a sixth British Grand Prix this afternoon and a fifth victory in the race on the spin – both would be F1 records.

With 65 career wins to his name already, Hamilton is second only to Michael Schumacher (91) in the sport's overall standings and, while he would win very few popularity contests, he is a born winner.

Note Harry Kane was 8/13 to win BBC Sports Personality of the Year with BetVictor ahead of the Sweden quarter-final with Anthony Joshua 5/1 (didn't make the podium last year when he beat Klitschko) and Hamilton 12s. It does not look a vintage year – unless England win the World Cup!

★It is a Ryder Cup year, however, and if Rory McIlroy (50/1) were to win the Open Championship at Carnoustie next weekend and Europe regain the Ryder Cup in Paris in September then perhaps he would be a threat.

That said if Kane wins the Golden Boot and England the World Cup it is fair to say 8/13 would look very attractive odds.

★They go at Market Rasen this afternoon and I remember thinking League Of His Own (3.20) was something to bet on at Worcester having his first start for Tim Vaughan last month despite being 10lbs out-of-the-handicap. The 9-y-old jumped out to his right before pulling up, having bled from the nose (burst a blood vessel).

He was backed as if defeat was out of the question last time, this right-handed track should suit and the hope is that he can transfer his improved point-to-point form back to rules.

He must be given another chance — despite again being 7lb wrong at the weights.

IT'S A KNOCKOUT: Coutinho

Coutinho: We are gonna cop so much stick

PHILLIPE Coutinho is expecting the Brazil squad to cop plenty of stick after crashing out in the World Cup quarter-finals to Belgium.

The Selecao were widely expected to lift the trophy — certainly by the tens of thousands of supporters who travelled across the world to Russia.

Former Liverpool midfielder Coutinho was probably their best player, ahead of Neymar whose ridiculous playacting has tarnished his reputation.

He said: "We wanted to go all the way to the final but we've given our best shot. Everyone gave everything.

"I'm sure will be beaten up from all sides. Life goes on, that's football. You win and you lose.

"We're sad because we wanted to win badly, like all Brazil. Unfortunately, we couldn't."

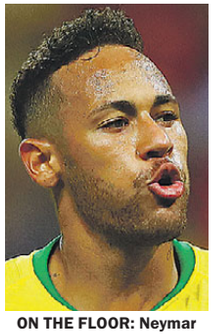
Neymar has gone from one of the three best players on the planet to a laughing stock.

Idolise

He's starring in millions of social media skits, featuring pictures of him screaming in agony after receiving the slightest touch during a game.

England legend Alan Shearer has been very strong in his criticism — saying all the diving was making it hard for referees to give him free-kicks.

He was at it again in the quarter-final against Belgium when he went flying before being touched inside the area.



ON THE FLOOR: Neymar

BACKING: Boss Tite

Had he not been throwing himself on the floor so much earlier in the tournament, he may have earned a crucial penalty.

Neymar's halo is never likely to slip with Brazil fans who still idolise him.

And, to be fair, he was coming back from a bad injury and did well to make the finals at all.

Brazil coach Tite is backing his No10 and thinks he did well to perform to the level he did after being crocked playing for Paris St Germain.

He said: "Neymar has almost reached his very top level during the World Cup.

"He started playing much better than I could have imagined, he's a very talented player physically as well.

"He has outstanding technical and individual qualities.

"No one can come close to him at this tournament in terms of intensity and skill."

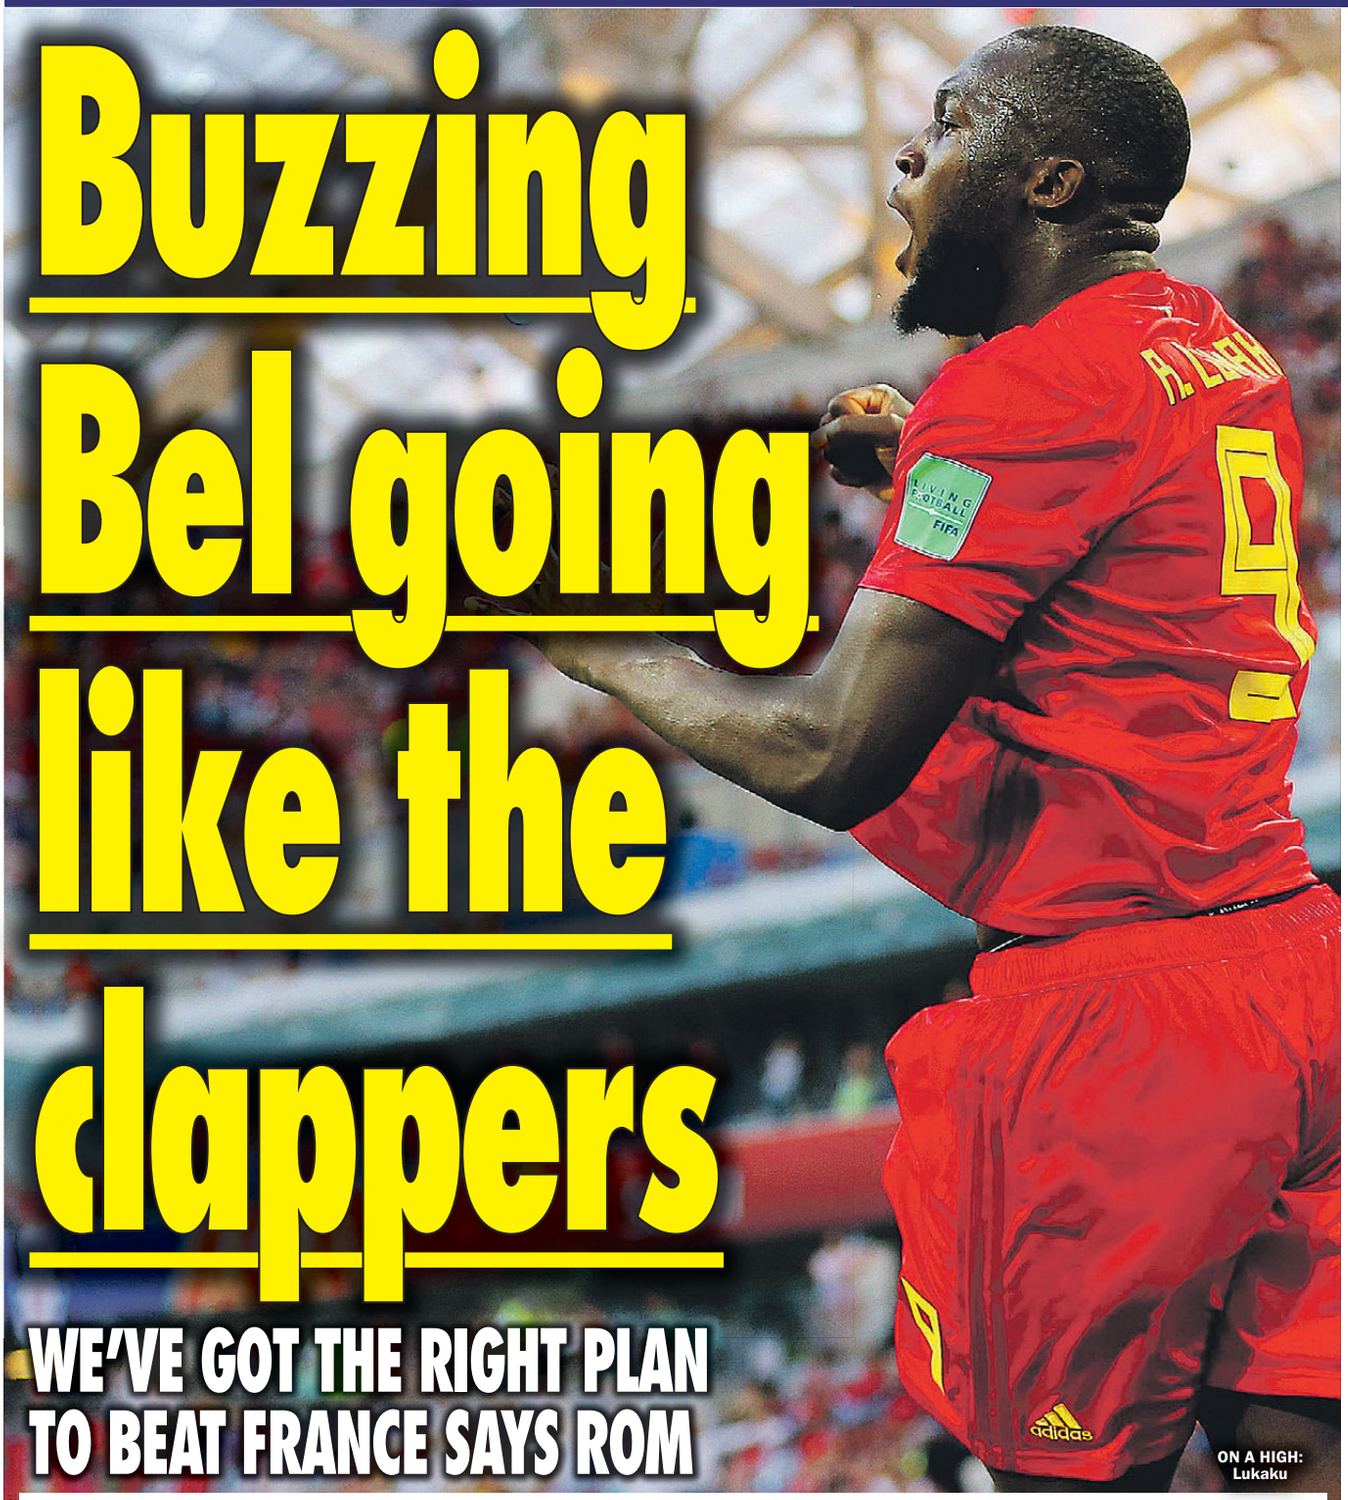
WE'VE GOT THE RIGHT PLAN TO BEAT FRANCE SAYS ROM



ON A HIGH: Lukaku

ROMELU Lukaku believes Belgium are playing with no fear at the World Cup.

By JOHN ANTHONY

After beating Brazil in the quarter-finals, they have another mountain to climb against France in the semis.

Lukaku says manager Roberto Martinez drilled the team well against the tournament favourites — and will have another plan up his sleeve to tackle Les Bleus.

The Manchester United hitman said: "Against Brazil, we had a gameplan and we executed it to perfection.

"I told my team-mates just before the game not to be scared because we had the game to beat them, so long as we thought as a team." That confidence appears to be shared by the manager — who has come a long way from losing to Sunderland and being sacked by Everton.

He has confidence that his squad can continue to perform well in Russia and adapt to the challenges put before them.

Martinez said: "My players are not just talented — they're also very resourceful on a psychological and human level.

"And those are the qualities you need if you're going to pull off the ultimate achievement at the World Cup: beating Brazil."

Chelsea goalkeeper Thibaut Courtois was happy with the way he played against Brazil. His highlight was a superb save from a Neymar effort that would have made it 2-2.

He said: "I have been unfairly criticised a lot this year, today I proved again who I am and why I am here.

Confidence

"Our tactical plan was great. We felt it was our day. It is a childhood dream to be in the World Cup.

"It's incredible. This team wants to win every game, against England people said it was better to lose but we won the game, we have confidence in our team."

To many pundits, Belgium will face a sterner challenge against France than a possibly over-rated Brazil side mustered.

Although Uruguay were missing a key man in Edison Cavani for their quarter-final, Didier Deschamps' men were always in control.

Spurs and Belgium defender Toby Alderweireld is expecting a tougher challenge against their neighbours.

He said: "I think we can be confident when we play in the semi-final.

"But France are a brilliant team.

"They have shown in one or two of their performances what they can do. A very tough opponent.

"We will have to be at our best to beat them, but it will be an unbelievable game — a big semi-final — and I look forward to it.

With Eden Hazard, Romelu and Kevin De Bruyne behind them, those three can hurt any team."

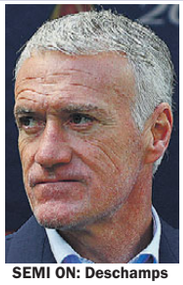
Belgium full-back Thomas Meunier plays for Paris St Germain so knows plenty of the French stars.

He knows the size of the task ahead.

He said: "I hope we will make another miracle against France.

"They have a really, really good team, with a good balance, defensively and offensively.

"I think it will be even tougher than against Brazil, so we just have to prepare professionally and see what happens."



SEMI ON: Deschamps

Results all that count for Bleus boss Didi

FRANCE boss Didier Deschamps says style goes out of the window when you get to a World Cup semi-final.

Les Bleus are the bookies' favourites to lift the trophy after cruising into the final two, where they will face Belgium.

Despite their good displays in Russia, Deschamps is still coming in for plenty of stick for what some people say is a defensive style of play.

That's a bit harsh with the likes of Kylian Mbappe and Paul Pogba given licence to attack.

But Deschamps doesn't care what people think — he's just concentrating on winning the tournament.

He said: "There has been criticism, and there always will be.

"But the truth comes with what happens on the pitch.

"I am proud of the players and proud of what they have achieved.

"Now they have a semi-final to focus on."

One of the reasons why Deschamps has purists grumbling is his liking for a big man up front — in this case it's Chelsea hitman Olivier Giroud.

Faith

He has come under pressure to play someone who is easier on the eye like Nabil Fekir who almost signed for Liverpool before the World Cup.

But the manager is keeping faith with his centre forward.

Deschamps said: "It is true Olivier has not scored yet, but — I repeat — yet.

"He might not have the flamboyant style of other players but the team needs him in each and every match because even if he does not score, he does many things for us.

"He is useful in attack but also, because of his game, in defence too.

"He does many things for the team to be balanced, and it is the players around him that benefit from his presence because he attracts a lot of attention from the defenders.

"Of course, it would have been good had he scored in the tournament.

"But he has always had an important role for us — he is always extremely generous and he does not complain when it comes to working hard."

England send Swedes packing

ENGLAND are in their first World Cup semi-final since 1990 after cruising past Sweden.

By ANDY MILLOM

Two headers — one in the first-half from Harry Maguire and the second by Dele Alli after the break — sealed a deserved victory for the Three Lions.

England were much the better team but it still took three top saves from goalie Jordan Pickford to secure the victory.

Make sure you're not doing anything at 7pm on Wednesday night — because that's when the whole country has a massive semi on in Moscow's Luzhniki Stadium.

Sweden were always going to play a tight game and that's how the early exchanges worked out.

There wasn't a lot happening in either penalty area until England broke the deadlock on the half-hour.

Ashley Young was the provider with a perfect cross met with a bullet header by Leicester centre-back Maguire for his first international goal.

It was another superbly worked set-piece by England who have been doing a lot of homework to make the most of these situations.

Jesse Lingard was the creator of the second goal just shy of the hour mark when he floated in a well-aimed ball that found Alli unmarked close to goal.

Strong

He made no mistake with a powerful header that went through the outstretched arms of Sweden goalie Robin Olsen.

Despite England dominating possession and the Scandinavians not showing much going forward, they could have hit the target a couple of times.

Everton keeper Pickford silenced any muttering about him being inexperienced with a trio of top stops.

The first one was the most important as it came in the opening minutes of the second half when the score was 1-0.

A long ball into the area was met by Sweden striker Marcus Berg. His header was destined for the bottom corner until Pickford met it with a strong hand.

Next came a crisp save from a low Viktor Claesson

SWEDEN 0 ENGLAND 2

ON THE NOD: Alli heads in England's second goal

as they cruise into semi-finals

shot that would have hit the back of the net.

His third world-class stop was more of a reflex save from Berg when he tipped over a close-range effort.

Flag

Raheem Sterling was a pest to the Swedish defenders for the most part — but his lack of composure cost him two goals.

It didn't matter in this game but he should have done a lot better when played clean through on goal by Kieran Trippier.

He failed to beat the keeper there and the offside flag went up too late to save his blushes.

There was an action replay seconds later. This time Sterling was onside but he fluffed his lines again.

The Manchester City man did well to get into the right space and he controlled the through ball well.

But he couldn't go around the keeper and dithered rather than teeing up Harry Kane. His eventual shot went flying over the crossbar.

On the plus side, Sterling's pace caused Sweden all kinds of problems and you could say it's nitpicking to be moaning after winning the match, but Sterling needs to be taking these chances.

England could have made the score more comfortable as they continued to control the ball even after going 2-0 up.

Pinging

Sterling did nothing wrong when he almost turned home a brilliant cross by Trippier, who had an excellent game out wide.

It took a last-gasp intervention from Emil Krafth to stop the City man turning the ball home for a goal that is long overdue.

Maguire went close to scoring another from a corner after the ball was headed back across the box.

The defender connected too well with his effort and sent it pinging into the crowd.

Lingard continued to hassle the Swedes and he mazied through them before unleashing a shot that was blocked.

Apart from a bit of late pushing and shoving, Sweden offered little as England keep our World Cup dream alive.

This was another solid performance but Gareth Southgate's men look capable of stepping up a gear — which they will have to do in the semi-final — and the final of course!

BULLET: Maguire heads England in front

Enjoy this win booms Southgate!

GARETH Southgate says it's an "incredible feeling" to have guided England into the World Cup semi-final.

The gaffer was the coolest man in the stadium in Samara after the Three Lions beat Sweden 2-0 to make the last four.

Despite wearing his trademark waistcoat in the searing heat, there was hardly a bead of sweat on him. And Southgate was delighted with his team's performance.

He said: "It is an incredible feeling. I hope everyone at home enjoys it because it's not often that happens!

"We knew it was going to be such a different game after having extra time and penalties against Colombia with all the emotion and the energy.

"We had to withstand a lot of physical pressure but the resilience of the team was crucial.

"We knew we would have the majority of the ball and it was a case of breaking them down because Sweden are a really well organised team.

Energy

"Over the years we have underestimated them."

While England were massive favourites, Southgate admits he was worried that the Swedes would be taken too lightly.

He added: "It was a game I was concerned about earlier in the week because of the emotional and physical energy we exerted against Colombia.

"We knew it would be stop start against Sweden.

By JOHN ANTHONY

Defensively we dealt with most things well, and when we didn't, our keeper was outstanding.

"We created opportunities in attack even though the opposition made it difficult for us, and our football flowed well."

He admits that it's going to be hard keeping everyone's feet on the ground ahead of the first World Cup semi-final appearance in 28 years.

Southgate added: "Managing expectations is going to be a bit difficult.

"We are privileged to be here and to be England manager is an honour.

"We are here because of all the players as well as the staff.

England destroy Swedes to set up semi

HARRY MAGUIRE fired the Three Lions into the World Cup semi with his first goal for England.

He put Gareth Southgate's men 1-0 up against Sweden before Dele Alli doubled the lead just after the break.

Goalie Jordan Pickford played his part too with three brilliant saves to ease England into Wednesday night's semi-final.
